Subject: VBBTF Application for Substitution by A90887

Tania

I refer to our call to your office today regarding the ACCC draft determination.

The Victorian Brick & Blocklaying Training Foundation Ltd advises an ammendment to its application for revocation of A90738 and its substitution of A90887 as follows:

The proposed levy arrangement will not only increase the levy on the sale of clay bricks from $1.00 per thousand to $2.00 per thousand but also increase the equivalent levy applicable to the sale of concrete masonry products from 5 cents to 10 cents per square metre in the wall.

We further advise that the levy will not apply to pavers, landscape products and special shapes. These exclusions apply to the current levy.

Please advise if further clarification is required.

Regards

Geoff Noble
