

Darren,

Further to our verbal discussion on Friday September 2<sup>nd</sup>, 2011, Plum Grove is encouraged by the ACCC's draft decision with respect to CBH's proposed Port Terminal Services Access Undertaking. As an emerging exporter Plum Grove was concerned that CBH's base load port capacity allocation proposal would have favoured a select few large exporters and unfairly disadvantaged smaller exporters such as Plum Grove. We fully support the ACCC decision.

Regards  
Andrew Young
