DIRECTIONS

1. In lodging this form, applicants must include all information, including supporting evidence that they wish the Commission to take into account in assessing their application for authorisation.

Where there is insufficient space on this form to furnish the required information, the information is to be shown on separate sheets, numbered consecutively and signed by or on behalf of the applicant.

2. Where the application is made by or on behalf of a corporation, the name of the corporation is to be inserted in item 1 (a), not the name of the person signing the application and the application is to be signed by a person authorised by the corporation to do so.
3. Describe that part of the applicant's business relating to the conduct in respect of which authorisation is sought.
4. Provide details of the conduct in respect of which this authorisation is sought.

In providing these details:

- (a) to the extent that any of the details have been reduced to writing — provide a true copy of the writing; and
 - (b) to the extent that any of the details have not been reduced to writing — provide a full and correct description of the particulars that have not been reduced to writing.
5. Provide details of those public benefits claimed to result or to be likely to result from the proposed conduct including quantification of those benefits where possible.
 6. Provide details of the market(s) likely to be effected by the conduct, in particular having regard to goods or services that may be substitutes for the good or service that is the subject matter of the application for authorisation.
 7. Provide details of the detriments to the public, including those resulting from any lessening of competition, which may result from the proposed conduct. Provide quantification of those detriments where possible.
