Att: Eugene Henry

As discussed, I consider, an investigation into why toothbrushes, which are US\$0.72 per dozen F.O.B. China retail as high as AUS \$5.00 each here, and some as high as \$6.50.

I also trust you will investigate, where the 10% warehouse bonus rebate comes from, or is it added to the costs?

Yours Sincerely

A handwritten signature in cursive script that reads "Bruce Mynott".

Bruce Mynott.
