Confidentiality undertaking

The Commission has a confidentiality provision on all its contracts that deal with the provision of expert advice to the Commission. The reasons for the confidentiality clause are:

1. "Consultants engaged in enforcement matters deal with material that relates to third party conduct, information, or investigations that may end up in a court of law. If not kept confidential, the information could prejudice the outcome of the Commission's work."
2. "Contracts in non enforcement matters involve commercially confidential information provided to the Commission by third parties for access arbitrations, mergers, authorisations etc."

"The Commission has no confidentiality clauses in contracts that do not involve enforcement work, and commercially confidential information, such as property lease contracts."
