Dear Mr Cosgrave

Update on Progress of Development of Required Measure 1b) Pull Through Exception Events

I refer to your letter to Telstra of 15 August, 2012.

Telstra requests an extension of time for the lodgement of Required Measure 1b) from Friday 7 September 2012 to Wednesday 31 October, 2012.

Telstra has today been advised by NBN Co that it expects it will be able to provide Telstra with its feedback on this draft Required Measure in the near future. On that basis, we believe a two month extension is warranted to ensure we are able to consider NBN Co's comments, and consult with Wholesale Customers and consider their feedback, prior to submission of the Required Measure to the Commission.

Telstra proposes to provide you with an update on progress with this Required Measure by Friday, 28 September 2012.

Please contact Christine Williams with any questions in relation to this matter. Otherwise, we look forward to your response to our request.

Yours sincerely

Jane van Beelen
