Dear Mr Cosgrave

Extension of time for Lodgement of Required Measure 1(b)

I refer to your letter of 6 September 2012, granting Telstra an extension of time until 31 October 2012 in which to file Required Measure 1(b) with the Commission.

We advise that the process for notification of pull-through exception events is now being formalized. However, as there are still some steps to be undertaken in order to commence consultation with wholesale customers, and to finalize the materials after consultation, we will require additional time for Telstra to file Required Measure 1(b).

We therefore ask that the Commission provide us with an extension for filing the Required Measure until 30 November 2012.

Could you please let us know whether this is acceptable to the Commission.

If you have any questions, please do not hesitate to contact Christine Williams on (07) 3455 3112.

Yours sincerely
