Dear Ms van Beelen

Re: Telstra's proposed amendment to Required Measure 5(D)

I refer to Telstra's email of 8 December 2017 advising that the consultation period for the proposed amendments to Required Measure 5(D) has concluded and Telstra intends to publish this Amended Required Measure on its Wholesale Customer Portal.

I also note Telstra's advice that it has consulted with wholesale customers and NBN Co. regarding the proposed Required Measure and they did not raise concerns.

The ACCC considers that this Required Measure is compliant with the Migration Plan Principles and does not object to Telstra publishing the amendment in accordance with clause 5.2(e) of the Migration Plan.

Please contact Darren Kearney on (03) 9290 1966 if you would like to discuss this matter further.

Yours sincerely
