Dear Mr Riordan,

**Notification of completion of consultation on Replacement Required Measures 5(A)  
5(C) and 5(D) and intention to publish**

In accordance with clause 5.2 of the Migration Plan, we are now notifying you that our consultation for the proposed amendments to the Replacement Required Measures (RMs) 5(A), 5(C) and 5(D), concluded on 6 April 2021. These RMs were updated to reflect the proposed arrangements we developed for the product exit of the BDSL, ATM, DDS Fastway, Data Access Radial, Megalink and Frame Relay Access Service Families, based upon a Final Sunset Exit Date of 31 August 2022.

During the consultation, we didn't receive any feedback from Wholesale Customers. Further, nbn co advised they didn't have any feedback. Accordingly, we now intend to proceed with the product exit arrangements for these Special Services as consulted upon. We therefore are not proposing to make any changes to Replacements RMs 5(A), 5(C) and 5(D) following the consultation having now concluded.

**Next Steps:**

Should the ACCC wish to provide any feedback on Replacement RMs 5(A), 5(C) and 5(D), we request this feedback please be provided by Tuesday 11 May 2021, consistent with the timeframe provided for in clause 5.2 of the Migration Plan. We note that the ACCC is not specifically required to approve these Replacement RMs, although you may notify an

objection if you assess that the proposed arrangements don't comply with the Migration Plan Principles. Subject to any objections received from the ACCC, Telstra proposes to publish these Replacement RMs on Wednesday 12 May 2021 via the Telstra Wholesale Customer Portal and also on [telstrawholesale.com.au](http://telstrawholesale.com.au). Once published as final, these Replacement RMs will form part of our Migration Plan.

Clean and marked-up versions of Replacement RMs 5(A), 5(C) and 5(D) are attached to allow you to publish them on the ACCC's website.

Please don't hesitate to contact Peter Walsh ([peter.walsh.2@team.telstra.com](mailto:peter.walsh.2@team.telstra.com) or (03) 8694 3854) if you have any queries.

Yours sincerely,
