Dear Mr Home

**ACCESS UNDERTAKINGS
DIGITAL RADIO MULTIPLEX TRANSMISSION SERVICES**

I write on behalf of the Community Broadcasting Association of Australia.

The CBAA is the peak body for community broadcasting licensees and is taking a lead role in the planning and implementation of digital radio in Australia.

Attached to this letter is the CBAA submission in response to the ACCC discussion paper and proposed Access Undertakings in relation to digital radio multiplex transmission services as lodged on 3 October 2008.

We have had the assistance of Minter Ellison Lawyers in assessing the proposed undertakings and welcome the opportunity to make this submission.

Yours sincerely
