Dear Mr. Cosgrave,

Notice of completion of consultation and intention to publish Replacement Schedule 1 to the Migration Plan

We are pleased to advise that our consultation on the replacement Schedule 1 of the Migration Plan, in accordance with clause 5, has now concluded.

We appreciate the ACCC's review of our proposed amendments to the replacement Schedule 1 and note that subject to the outcome of the consultation with our Wholesale Customers and nbn co, the ACCC does not propose to object to the replacement Schedule 1.

We are pleased to advise that we have not received any concerns from Wholesale Customers and nbn co has confirmed that it does not have any specific comments or concerns on the proposed changes. We do not propose any amendments to the proposed replacement Schedule 1 that was consulted upon and provided to you.

Therefore, in accordance with clause 5.2(e) of the Migration Plan, we notify the ACCC that Telstra has completed development and consultation of a replacement Schedule 1 and that we intend to publish the replacement Schedule in 15 Business Days from the date of this letter, that is, on 1 August 2016. Publication will occur on the Telstra Wholesale Customer Portal, from which time it will form part of the Migration Plan.

A clean version of replacement Schedule 1 is attached to enable the ACCC to publish it on the ACCC's website.

While Christine Williams and Jane van Beelen are on leave, please do not hesitate to contact me on (03) 8649 2056 should you have any questions in relation to this matter.

Yours sincerely
