Dear Mr Cosgrave,

Notification of completion of consultation on Required Measure 5(D) and intention to publish RM5(D).

In accordance with clause 5.2 of the Migration Plan, we are writing to notify you that consultation periods for the proposed Required Measure 5(D) (**RM5(D)**) has now concluded.

We are pleased to advise that we have not received any concerns from Wholesale Customers on RM5(D).

nbn co. identified a small number of minor drafting points in RM5(D) that ensured consistency with RM5(A), (B) and (C) and other relevant documents. These have been largely accepted and can be seen in the marked-up version of RM5(D) attached.

We note the ACCC is not required to approve RM5(D), but may object if it is not compliant with the Migration Plan Principles. Subject to any objections from the ACCC, Telstra proposes to publish this Required Measure on 21 April 2017.

Clean and marked-up versions of RM5(D) are attached to allow you to publish them on the ACCC's website.

Please do not hesitate to contact Matthew Scott on (03) 8649 7651 if you would like to discuss either of these documents.

Yours sincerely
