Dear Ms Haddock

**Authorisation AA1000433 submitted by Australasian Performing Right Association Limited (APRA) – request for material to be excluded from the public register**

I refer to APRA's response to the Australian Competition and Consumer Commission's (the **ACCC**) draft determination provided to the ACCC on 5 July 2019.

I have considered your request that the confidential version of APRA's response the ACCC's draft determination be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for revocation and substitution on the ACCC's public register. The Act provides that a person submitting a document in relation to an application for revocation and substitution may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the confidential version of APRA's response to the draft determination will not be placed on the public register.

This letter has been placed on the ACCC's public register.

I note that you also provided a public version of APRA's response the draft determination submissions. This will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Tessa Cramond on 03 9658 6516.

Yours sincerely
