Dear Mr Brownlee

Authorisation AA1000433 submitted by Australasian Performing Right Association Limited (APRA) – Nightlife Music request for material to be excluded from the public register

I refer to your public submission dated 6 March 2019 regarding the above application for revocation and substitution.

I have considered your request that certain information in attachment 1 of the submission by Nightlife Music be redacted from the version of the submission placed on the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for revocation and substitution on the ACCC's public register. The Act provides that a person submitting a document in relation to an application for revocation and substitution may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that your redacted submission will be placed on the public register in the form approved by you. This letter will also be placed on the public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Tessa Cramond on 03 9290 6964.

Yours sincerely
