**RE: Commencement of Bulk Wheat Export through Quattro Ports Port Kembla**

Dear Renée,

Please be advised that Quattro Ports plans to load a bulk wheat export vessel from the new Port Kembla terminal on or about the **29<sup>th</sup> March 2016**.

On behalf of Quattro Ports, I would also like to advise the ACCC that there has been no change to the information provided in the Quattro Ports submission in support of an exemption from Parts 3-6 of the Port Terminal Access (Bulk Wheat) Code of Conduct.

Quattro Ports has commenced the publishing of information (on Company website) that is required for compliance to Part 2 of the Port Terminal Access (Bulk Wheat) Code of Conduct, including Shipping Stem, Port Terminal Services Agreement and Port Loading Protocols.

Regards
