### 13.6 Contribution to loss

Where any express or implied term of this Agreement places on any Party (in this clause 13.6 "**Party A**") any duty of care the breach of which would, if the duty of care were imposed by the

general law rather than by such express or implied term, constitute an actionable tort against any other Party (in this clause "**Party B**"):

- (a) Party B has an obligation not to commit any negligent act or omission which contributes to any Loss or Damage it suffers or may suffer as a result by any breach by Party A of such express or implied terms; and
