12. Books and Records

- 12.1 The Company will keep at its principal place of business records, books of account and documents relating to transactions in the Grain and such books of account, records and documents will be available for inspection by officers of the Client at any reasonable time upon request.
- 12.2 All information provided to the Client by the Company will be treated as conclusive evidence of the correctness of the details set out in that information unless:
- (a) the Client notifies the Company in writing, setting out the detailed reasons, within 14 days of receipt of that information that there exists a bona fide dispute concerning the correctness of that information; or
 - (b) it is demonstrated at any time that there is a clear and manifest error in that information.

13. Lien

- 13.1 Notwithstanding that the Grain received by the Company under this Agreement may be deemed to be Stored Grain, the Company shall have a first and paramount lien on the Client Grain for all monies payable (on any account whatsoever) by the Client to the Company under this Agreement or otherwise.
- 13.2 In the case of Stored Grain, the Company may nominate and identify any particular quantity of Grain comprising the Stored Grain as being the Client Grain for the purposes of enforcing its lien.
- 13.3 Subject to any requirement of law the Company will be entitled for the purpose of enforcing such lien to retain possession of the whole or any part of the Client Grain until all amounts due and payable are paid, or to sell all or any of the Client Grain in such manner as it thinks fit (after giving the Client at least 7 days prior notice) whereupon the proceeds of such sale will be applied in or towards the satisfaction of the moneys due to the Company and the costs of effecting the sale and the balance (if any) will be paid by the Company to the Client. Where the

Company sells all or any of the Client Grain for the purpose of enforcing its lien, the Client irrevocably appoints the Company as its agent and attorney.

- 13.4 In enforcing a lien in respect of any client Grain the Company will ensure that its actions do not affect the right of the Client to receive the Outturn Entitlement under this Agreement.

14. Security

- 14.1 If in the reasonably held opinion of the Company, the Client does not have a legal ownership structure with a sufficient capital base and assets of value to meet the actual or potential liabilities of the Client under this Agreement, the Client will, if required by the Company:
- (a) arrange for its directors and/or shareholders to personally guarantee the Client's performance of this Agreement by signing a written guarantee in a form and on conditions specified by the Company; and/or
 - (b) obtain or deposit with the Company an unconditional bank guarantee or bond in a form and for an amount and given by a bank or insurer approved by the Company by way of guarantee for the performance of this Agreement ("security").
- 14.2 Any written guarantee or security required by the Company must be established:
- (a) prior to the Company receiving Grain for storage on behalf of the Client; and
 - (b) within 7 days after it has been requested by the Company.
- 14.3 If the Client defaults, then the Company may call up, draw on, use, appropriate and apply the whole or part of the security as may be necessary in the opinion of the Company to compensate the Company for loss or damage suffered by the Company by reason of the Client's default, and:
- (a) any use or appropriation of the security by the Company does not operate to waive the default and does not affect the Company's other rights; and
 - (b) if the security or any part of it is used or appropriated by the Company, the Client must within seven (7) days from receipt of a request by the Company pay to or deposit with the Company new or additional security in a form and for an amount as specified by the Company.
- 14.4 On termination of this Agreement and if the Client has complied with this Agreement, the security less any sums drawn on, used or appropriated by the Company and not reinstated by way of further security, must be refunded, returned or cancelled.

15. Risk and Insurance

- 15.1 The Company bears all usual insurable risks of accidental loss or damage to Client Grain during the provision of the Services (such as storm water ingress, fire and theft).
- 15.2 The Company must, for the entire period that Client Grain is stored at the Port Terminal, keep Client Grain insured against the risks it bears pursuant to clause 15.1.
- 15.3 The Client must, and must cause any person entering the Port Terminal for or on behalf of the Client, to hold:
- (a) public liability insurance,
 - (b) workers' compensation insurance required by law, and

(c) if driving a vehicle, third party motor vehicle insurance covering person and property.

15.4 The Company must, upon request of the Client, provide evidence that the Company has complied with clause 15.2.

16. Liability

16.1 The Company will only be liable for failing to Outturn the Client Grain if such failure is:

- (a) a direct result of the Company's gross negligence, fraud or wilful default; or
- (b) a direct consequence of an insurable event as described in clause 15.1.

16.2 Except as expressly contained in this Agreement, the Company will not be liable for any other loss or damage, including but not limited to:

- (a) any special or unusual event or any natural process (as determined by the Company) which is not covered by the Company's insurance, causing loss or damage to the Grain;
- (b) any loss or damage arising out of or related to the incidence or effect or both of any delays in the loading or unloading of trains, trucks, containers or ships;
- (c) any loss or damage arising out of or related to Grain passing or failing to pass inspection by the AQIS inspectors, AQIS authorised officers, or similar;
- (d) any loss or damage arising out of or related to any quality or quantity deficiencies claimed after Outturn from the Port Terminal;
- (e) any loss or damage arising out of or related to toxic or other chemical residues, other contamination or genetic modification;
- (f) any indirect or consequential loss (including but without limitation loss of profit, loss of opportunity or loss of reputation), cost, damage or expense suffered or incurred directly or indirectly by the Client as a result of any loss or downgrade of or damage to Grain

however caused (including without limitation any loss, cost, damage or expense caused by the failure of the Company to comply with any of its obligations under this Agreement or any negligent act or omission on the part of the Company, its employees or Agents).

16.3 Notwithstanding clauses 16.1 and 16.2, the Company's liability in any event will not exceed the greater of

- (a) \$250,000 in total in respect of all events occurring within the Term and \$100,000 per event; and
- (b) any proceeds of insurance payable under the insurance taken out by the Company pursuant to clause 15.1.

16.4 To the extent permitted by law the Company excludes all conditions and warranties implied at law or by statute relating to the obligations of the Company under this Agreement.

16.5 The Company's liability under any non-excludable implied condition or warranty is limited to:

- (a) in the case of services, the lowest of the costs of supplying the services again and having the services supplied again; and
- (b) in the case of goods, the lowest of the costs of replacing the goods, acquiring equivalent goods or having the goods repaired.

17. Indemnity

17.1 The Client will indemnify the Company and keep the Company indemnified from and against all losses, costs, damages, expenses, charges and surcharges suffered or incurred by the Company arising directly or indirectly out of or in relation to:

- (a) any breach non-observance or non-performance by the Client of any of its obligations under this Agreement;
- (b) any claim by a third party relating to the Client Grain;

except to the extent that the gross negligence of the Company contributed to the losses, costs, damages, expenses, charges or surcharges.

18. Variations

18.1 No variation to this Agreement is valid or has any effect unless agreed in writing by both the Client and the Company.

19. Termination

19.1 This Agreement may be terminated by either Party:

- (a) giving to the other at least 3 months prior written notice in that regard, or
- (b) if the other Party suffers an Insolvency Event.

19.2 This Agreement may be terminated by the Company with immediate effect:

- (a) If the Client commits a breach of any term of this Agreement, and
- (b) The Client fails to remedy that breach within a period of not less than 30 days after the Company gives the Client written notice of that breach.

19.3 Subject to clause 2.4, within 28 days of termination of this Agreement, the Client must remove any Client Grain from the Port Terminal. The Company may dispose of any Client Grain still remaining after that time. Surplus proceeds, from the sale of that Client Grain after deducting costs incurred by the Company in its disposal and for amounts owing to the Company, will be returned to the Client.

19.4 Termination will not affect any rights or remedies accrued to a party under this Agreement.

19.5 Notwithstanding any other provisions of this Agreement, the Company may refuse to provide Services, including to Outturn Client Grain, if the Client has not paid any amounts owing to the Company pursuant to clause 11 of this Agreement.

20. Force Majeure

20.1 Force Majeure Event

For the purpose of this Agreement, a "Force Majeure Event" affecting a Party means anything outside that Party's reasonable control including without limitation:

- (f) acts or omissions of any third party (including without limitation Governments, Government agencies, subcontractors or Clients).

20.2 Suspension of Obligations

If a party is wholly or partially precluded from complying in the normal manner required by this Agreement with its obligations under this Agreement by a Force Majeure Event (in this clause 24 called the "Affected Party"), then the Affected Party's obligations to perform in accordance with the terms of this Agreement, will be suspended for the duration of the Force Majeure Event.

20.3 Notice

As soon as possible after the Force Majeure Event arises, the Affected Party must notify the other party of:

- (a) the nature of the Force Majeure Event;
- (b) the cause of the Force Majeure Event;
- (c) which obligations the Affected Party believes it is wholly or partially precluded from complying with as a result of the Force Majeure Event (in this clause 24 called the "Affected Obligations");
- (d) the extent to which the Force Majeure Event precludes the Affected Party from performing the Affected Obligations;
- (e) the expected duration of the delay arising as a result of the Force Majeure Event;
- (f) the steps that are being taken to minimise the impact of the Force Majeure Event; and
- (g) the steps which would be taken (subject to the Parties reaching an agreement as to the payment of any additional costs involved) to minimise the impact of the Force Majeure Event.

20.4 Minimisation of Impact

Upon receiving a notice under clause 20.3 the Parties will meet to discuss and agree:

- (a) what action can be taken to minimise the effect of the Force Majeure Event on the performance by the Affected Party of the Affected Obligation;
- (b) whether the Affected Party is able to work around the Force Majeure Event either to prevent the delay in the performance of the Affected Obligations or to minimise the impact of that delay; and
- (c) what modifications or additions to the terms of this Agreement or any other agreements between the Parties (including without limitation any modifications or additions relating to

the appointment of any additional costs) are required to give effect to any proposal to minimise the effect of the Force Majeure Event.

20.5 Obligation to Mitigate

The Affected Party must:

- (a) keep the other party fully informed of its plan to minimise the effect of the Force Majeure Event; and
- (b) subject to reaching agreement concerning any modifications or addition required to give effect to any proposal to minimise the effect of the Force Majeure Event;
- (c) comply with all reasonable requests made by the other Party relating to the prevention or minimisation of the impact of the Force Majeure Event; and
- (d) use all reasonable endeavours to resolve, and minimise the impact of, the Force Majeure Event.

20.6 Payments

An obligation to pay money is never excused by a Force Majeure Event.

20.7 Labour Disputes

The requirement to use all reasonable endeavours to resolve or minimise the impact of the Force Majeure Event will not require either Party to settle any strike, lockout, boycott or other dispute or claim, or any demand by a third party, on the terms contrary to the wishes of that Party.

21. Disputes

21.1 The parties will endeavour to resolve any dispute concerning the terms of this Agreement between themselves, including where necessary escalating the dispute for negotiation between both parties' chief executives.

21.2 If the Parties cannot resolve the dispute within 30 days of one party giving notice of the dispute to either Party may refer the matter to arbitration in accordance with the Commercial Arbitration Act 1984 (VIC) by an arbitrator nominated by the President of the Law Society of Victoria except that:

- (a) the arbitrator must observe the rules of natural justice but is not required to observe the rules of evidence;
- (b) a party may have legal representation; and
- (c) the arbitrator must apportion costs of the arbitration and each party's costs of and incidental to the arbitration as the arbitrator sees fit.

21.3 During any dispute resolution process, the pre-dispute status quo will continue. Accordingly:

- (a) each party will comply with its obligations, and may exercise its rights under this Agreement; and
- (b) the fact that a party ceases to do anything in dispute will not be taken to be an admission by that party that it had breached, or had been in breach of, this Agreement.

22. Notices

Any notice to be served under this Agreement will be sufficiently served personally or if delivered or left addressed to the relevant party at or forwarded by pre-paid post to its registered office for the time being or last known place of business and a notice sent by post will be deemed to have been given at the time when it ought to have been delivered in the ordinary course of post.

23. Assignment

The Client must not assign or novate this Agreement or any part of it. The Company may assign this Agreement or any part of it or otherwise delegate all or any of its rights and obligations under this agreement upon notice to the Client.

24. Costs

The Company and the Client must pay their own cost of preparation of this Agreement. The Client must pay any stamp duty and other taxes payable in respect of this Agreement or anything arising under it.

26. Governing Law

This Agreement and the rights and liabilities of the parties under this Agreement will be governed by the law of the State of Victoria. The courts of Melbourne will possess territorial jurisdiction to hear and determine any cause of action arising under this Agreement.

27. No Endorsement

27.1 The Client must not (without the prior written consent of the Company):

- (a) make any reference, comment or statement either written or oral, that could be construed as an endorsement by the Company of the Client or of the Client's products or services; or
- (b) refer to the Company or the services provided by the Company to the Client in any publication, promotional or advertising material.

27.2 The Client acknowledges that:

- (a) the Company will treat the obligation provided by the Client to the Company in clause 27.1 as a serious undertaking; and
- (b) it is aware that any breach of this serious undertaking may result in the Company suffering damage.

28. Severability

Any provision of this Agreement which is unenforceable or partly unenforceable is, where possible, to be severed to the extent necessary to make this Agreement enforceable, unless this would materially change the intended effect of this Agreement.

29. Waiver

29.1 The failure by any Party at any time to enforce any of its powers, remedies or rights under this Agreement will not constitute a waiver of those powers, remedies or rights or affect the Party's rights to enforce those powers, remedies or rights at any time.

29.2 Any single or partial exercise of any power, remedy or right does not preclude any other or further exercise or partial exercise of any other power, remedy or right under this Agreement.

30. No Partnership

This Agreement does not create a partnership, agency, fiduciary or any other relationship, except the relationship of contracting parties, between the Parties.
