Dear Dr Warren

Telstra's Band 2 ULLS Undertaking – Removal of submission from website

I refer to the e-mail from Telstra dated 26 March 2009, requesting the ACCC remove 'Attachment A' to the materiality test from its website – following a late claim of confidentiality over the document by Telstra.

I can confirm that the document in your request has been removed from the following webpage:

<http://www.accc.gov.au/content/index.phtml/itemId/865909>

As you would be aware, the ACCC seeks to ensure its assessment processes are conducted in an open and transparent manner. This involves ensuring that all submissions are subject to scrutiny from interested parties. Accordingly, the ACCC requests Telstra supply a public version of 'Attachment A' as soon as possible.

Should you have any questions regarding this matter, please contact Matthew Gillet on (03) 9290 6971.

Yours sincerely
