Dear Sir

Re: Extension to the ARTC's 2008 Interstate Undertaking

I refer to the recently released *Consultation Paper* on ARTC's application to extend its 2008 Interstate Access Undertaking (the 2008 IAU), as submitted on 23rd April 2021. Under the application ARTC has proposed an amendment to clause 2.3(a) of the 2008 IAU to allow a further twenty-four (24) months to 30th June 2023, with NO further amendments to this undertaking.

I would like to advise that One Rail Australia does not oppose the request to amend the undertaking as outlined and believe that the requested timeline seems reasonable given the time to resolve this matter with ARTC and will provide One Rail the certainty & stability needed for our continued operations.

If you would like to discuss or require any additional information, please do not hesitate to call me on [REDACTED]

Yours sincerely

[REDACTED]
LUKE ANDERSON
