You could also tell us: Did it make it easier for you to get a policy that you were more confident suited your needs?:

No have not thought about that - do not have access to one where I live only through website

Does your insurer offer Centrepay to eligible customers? Have you seen new or different policies to target particular consumers, such as tenants, households on a low income, or people with only a small amount to insure? :

They just need to be fair and give a reasonable price. I have an investment property south west queensland and the insurance on that property is just over \$1000 per annum. I have had two claims there both for hail damage and both costing the insurance company over \$35,000 each time.

Police and Nurses are the insurers for my home in Exmouth WA and my investment property in South west Qld. They are the cheapest by 1000s of dollars and they are excellent when making a claim.
