

26th May 2017

Mr Rod Sims
Chairman
Australian Competition & Consumer Commission
Email: mobileroaminginquiry@acc.gov.au

Dear Mr Sims

Subject: Mobile Roaming

This letter is to support the draft decision proposing to not declare a wholesale domestic mobile roaming service.

The provision of reliable telecommunication services is vital to communities, in particular the rural and remote regions such as Bland Shire. This decision will encourage service provider investment in regional telecommunications to improve coverage and accessibility for more Australians.

Yours sincerely

Ray Smith
General Manager
