Confidential Communication

Dear Ms Ross

Telecommunications Final Access Determination inquiries—non-price terms and conditions and supplementary prices: Position Paper

Please find attached Telstra's submissions in response to the Commission's Position Paper on the Telecommunications Final Access Determination inquiries—non-price terms and conditions and supplementary prices (**Position Paper**).

The Position Paper calls for submissions on non-price terms and conditions and supplementary pricing in the FADs for the fixed line services, MTAS and DTCS. These issues are obviously related but raise a number of distinct issues. For the sake of clarity, Telstra is providing separate submissions on non-price terms and conditions and on supplementary pricing, each of which is attached.

We also attach the confidential and public versions of each of our submissions.

Please contact Jodi Gray on 03 8649 6264 or jodi.gray@team.telstra.com should you have any queries.

Yours sincerely,

Iain Little
