**Re: Mobile Roaming Enquiry**

Regional Development Australia Whyalla and Eyre Peninsula (RDAWEP) together with the Eyre Peninsula Local Government Association (EPLGA) would like to sincerely thank the Commission for providing a copy of the draft recommendation associated with the Mobile Roaming Enquiry.

On behalf of RDAWEP and the EPLGA, we wish to reaffirm support for the draft decision, as it is vital that investment in mobile telecommunications be progressed rather than delayed any further because of additional uncertainty in the process.

Please do not hesitate to contact the undersigned for further information if required and we thank the Committee for its constructive endeavours in ensuring improved mobile phone coverages.

Yours sincerely

Dion Dorward
