Fixed principle provisions

6.1 This clause 6 sets out fixed principles provisions that apply to the FADs contained in this document.

6.2 The FADs contained in this document must not be varied so as to alter or remove any of the fixed principles provisions in this clause 6 except when the ACCC is satisfied that:

- (a) there is a manifest and material error in these fixed principles provisions;
- (b) any information on which these fixed principles provisions was based was false or misleading in a material respect; or
- (c) such amendment or adjustment is necessary or desirable to avoid an unintended consequence of these fixed principles provisions.

6.3 The nominal termination date for the fixed principles provisions is 30 June 2021.

6.4 The opening regulatory asset base (RAB) for the calculation of prices for the relevant declared fixed line services (other than the Wholesale ADSL Service) is \$15,515,621,288 as at 1 July 2011 (in nominal terms).

6.5 The opening regulatory asset base (RAB) for the calculation of prices for the Wholesale ADSL service is:

- (a) as per clause 6.5 of the FADs dated 20 July 2011 (as varied from time to time), rolled forward to 1 July 2012 in accordance with clause 6.7 of the FADs dated 20 July 2011; and
- (b) the asset class data equipment which is \$1,094,008,824 as at 1 July 2012 (in nominal terms).

6.6 The opening tax asset value for the calculation of prices for the relevant declared fixed line services (other than the Wholesale ADSL Service) is \$10,144,121,785 as at 1 July 2011 (in nominal terms).

6.6A The opening tax asset value for the calculation of prices for the Wholesale ADSL service is:

- (a) as per clause 6.6 of the FADs dated 20 July 2011 (as varied from time to time), rolled forward to 1 July 2012 in accordance with clause 6.7 of the FADs dated 20 July 2011; and
- (b) the asset class data equipment which is \$1,086,735,207 as at 1 July 2012 (in nominal terms).

6.7 Roll-forward mechanism

- (a) The RAB is to be rolled forward each year according to the formula below:

$$RAB_{t+1} = RAB_t + capex_t - depreciation_t - asset\ disposals_t$$

where RAB_{t+1} = opening RAB for the next regulatory year

RAB_t = opening RAB for the current year

$capex_t$ = forecast capital expenditure during the current year

$depreciation_t$ = regulatory depreciation during the current year

$asset\ disposals_t$ = asset disposals during the current year

- (b) Land asset values will be indexed by the Consumer Price Index (CPI) where it is available or by the forecast for the CPI used in the Fixed Line Services Model (FLSM) where actual CPI is not available. This will account for appreciation over time in land values.
- (c) To roll forward RAB values in nominal terms, any variables that are specified in real terms will be indexed by the actual CPI where it is available or by the forecast for the CPI used in the FLSM where the actual CPI is not available.
- (d) Any variables that are specified in nominal terms will not be indexed, with the exception of land values as specified above.
- (e) In these fixed principles provisions 'the FLSM' means the FLSM as it may be varied from time to time or similar model used by the ACCC for the calculation of prices for the relevant declared services.

6.8 The annual revenue requirement for each regulatory period will comprise:

- (a) a return on the RAB calculated by multiplying the Weighted Average Cost of Capital (WACC) by the opening RAB for the regulatory year;
- (b) a return of the RAB, that is regulatory depreciation, for that regulatory year;
- (c) operating expenditure forecast to be incurred in that regulatory year; and
- (d) an allowance for tax liabilities.

6.9 Under a building block model (BBM) approach, forecast operating expenditures should reflect prudent and efficient costs. The following matters are relevant to whether forecast operating expenditures reflect prudent and efficient costs:

- (a) the access provider's level of operating expenditure in the previous regulatory period;

- (b) reasons for proposed changes to operating expenditure from one regulatory period to the next regulatory period;
 - (c) any relevant regulatory obligations, or changes to such obligations, applicable to providing the relevant declared fixed line services; and
 - (d) any other matters relevant to whether forecast operating expenditures reflect prudent and efficient costs.
- 6.10 Under a BBM approach, forecast capital expenditures should reflect prudent and efficient costs. The following matters are relevant to whether capital expenditure forecasts reflect prudent and efficient costs:
- (a) the access provider's level of capital expenditure in the previous regulatory period;
 - (b) reasons for proposed changes to capital expenditure from one regulatory period to the next regulatory period;
 - (c) whether the access provider's asset management and planning framework reflects best practice;
 - (d) any relevant regulatory obligations, or changes to such obligations, applicable to providing the relevant declared fixed line services; and
 - (e) any other matters relevant to whether forecast capital expenditures reflect prudent and efficient costs.
- 6.11 Demand forecasts should:
- (a) be based on an appropriate forecasting methodology;
 - (b) be based on reasonable assumptions about the key drivers of demand;
 - (c) be determined utilising the best available information before the ACCC, including historical data that can identify trends in demand; and
 - (d) be determined taking into account current demand and economic conditions.
- 6.12 Weighted average cost of capital
- (a) A vanilla WACC is used to estimate the return on capital.
 - (b) The cost of equity is estimated using the Capital Asset Pricing Model.
- 6.13 Tax liabilities
- (a) The tax rate used in estimating tax liabilities in the FLSM will be set equal to the corporate tax rate specified in subsection 23(2) of the *Income Tax Rates Act 1986* (Cth) as amended from time to time.
- 6.14 Cost allocation factors
- (a) The allocation of the costs of operating the PSTN should reflect the relative usage of the network by various services.
 - (b) Direct costs should be attributed to the service to which they relate.

The cost allocation factors for shared costs should reflect causal relationships between supplying services and incurring costs.

- (c) No cost should be allocated more than once to any service.
- (d) The determination of cost allocation factors should reflect the principles in 6.14 (a) – (c) above except where reliable information is not available to support the application of the principles.

6.15 The matters set out in the fixed principles provisions at clauses 6.7 – 6.14 inclusive are subject to assessment, calculation, implementation and/or application, as relevant, by the ACCC in making interim and final access determinations for the relevant declared services.

Schedule 3 - Billing and notification

- 3.1 The Access Seeker's liability to pay Charges for the Service to the Access Provider arises at the time the Service is supplied by the Access Provider to the Access Seeker, unless the parties agree otherwise.
- 3.2 The Access Seeker must pay Charges in accordance with this FAD, including but not limited to this Schedule 3.
- 3.3 The Access Provider must provide the Access Seeker with an invoice each month in respect of Charges payable for the Service unless the parties agree otherwise
- 3.4 The Access Provider is entitled to invoice the Access Seeker for previously uninvoiced Charges or Charges which were understated in a previous invoice, provided that:
- a) the Charges to be retrospectively invoiced can be reasonably substantiated to the Access Seeker by the Access Provider; and
 - b) subject to clause 3.5, no more than 6 Months have elapsed since the date the relevant amount was incurred by the Access Seeker's customer, except where:
 - i. the Access Seeker gives written consent to a longer period (such consent not to be unreasonably withheld); or
 - ii. to the extent that the Charges relate to services supplied by an overseas carrier and the Access Provider has no control over the settlement arrangements as between it and the overseas carrier, in which case the Access Provider shall invoice such amounts as soon as is reasonably practicable.
- 3.5 The parties must comply with the provisions of any applicable industry standard made by the ACMA pursuant to Part 6 of the *Telecommunications Act 1997* (Cth) (Standard) and the provisions of any applicable industry code registered pursuant to Part 6 of the *Telecommunications Act 1997* (Cth) (Code) in relation to billing. Where the effect of a Standard or Code is that an Access Seeker is not permitted to invoice its customers for charges that are older than a specified number of days, weeks or months (the Backbilling Period), the Access Provider must not invoice the Access Seeker for a Charge which was incurred by the Access Seeker's customers that, as at the date the invoice is issued, is older than the Backbilling Period.
- 3.6 Subject to clause 3.12
- a) An invoice is payable in full 30 Calendar Days after the date the invoice was issued or such other date as agreed between the parties.
 - b) The Access Seeker may not deduct, withhold, or set-off any amounts for accounts in credit, for counter-claims or for any other reason or attach any condition to the payment, unless otherwise agreed by the Access Provider.

- c) All amounts owing and unpaid after the due date shall accrue interest daily from the due date up to and including the date it is paid at the rate per annum of the 90 day authorized dealers bank bill rate published in the *Australian Financial Review* on the first Business Day following the due date for payment, plus 2.5 per cent.
- 3.7 In addition to charging interest in accordance with clause 3.6 or exercising any other rights the Access Provider has at law or under this FAD, where an amount is outstanding and remains unpaid for more than 20 Business Days after it is due for payment, and is not an amount subject to any Billing Dispute notified in accordance with this FAD, the Access Provider may take action, without further notice to the Access Seeker, to recover any such amount as a debt due to the Access Provider.
- 3.8 Unless the parties otherwise agree, there is no setting-off (i.e. netting) of invoices except where a party goes into liquidation, in which case the other party may set-off. However, in order to minimise administration and financial costs, the parties must consider in good faith set-off procedures for inter-party invoices which may require the alignment of the parties' respective invoice dates and other procedures to allow set-off to occur efficiently.
- 3.9 The Access Provider must, at the time of issuing an invoice, provide to the Access Seeker all information reasonably required by the Access Seeker to identify and understand the nature and amount of each Charge on the invoice, and the service the Charge relates to. Nothing in this clause 3.9 is intended to limit subsections 152AR(6) and 152AR(7) of the CCA.
- 3.10 If the Access Seeker believes a Billing Dispute exists, it may invoke the Billing Dispute Procedures by providing written notice to the Access Provider (Billing Dispute Notice). A Billing Dispute must be initiated only in good faith.
- 3.11 Except where a party seeks urgent injunctive relief, the Billing Dispute Procedures must be invoked before either party may begin legal proceedings in relation to any Billing Dispute.
- 3.12 If a Billing Dispute Notice is given to the Access Provider by the due date for payment of the invoice containing the Charge which is being disputed, the Access Seeker may withhold payment of the disputed Charge until such time as the Billing Dispute has been resolved or otherwise terminated. Otherwise, the Access Seeker must pay the invoice in full in accordance with this FAD (but subject to the outcome of the Billing Dispute Procedures).
- 3.13 Except where payment is withheld in accordance with clause 3.12, the Access Provider is not obliged to accept a Billing Dispute Notice in relation to an invoice unless the invoice has been paid in full.
- 3.14 A Billing Dispute Notice must be given to the Access Provider in relation to a Charge, at the earlier of:
- a) as soon as reasonably practicable after the Access Seeker becomes aware a Billing Dispute exists, or

- b) within six Months of the invoice for the Charge being issued in accordance with clause 3.6.

3.15

- a) The Access Provider must acknowledge receipt of a Billing Dispute Notice within two Business Days by providing the Access Seeker with a reference number.
- b) Within five Business Days of acknowledging a Billing Dispute Notice under clause 3.15(a), the Access Provider must, by written notice to the Access Seeker:
 - i. accept the Billing Dispute Notice; or
 - ii. reject the Billing Dispute Notice if the Access Provider reasonably considers that:
 - A. the subject matter of the Billing Dispute Notice is already being dealt with in another dispute;
 - B. the Billing Dispute Notice was not submitted in good faith; or
 - C. the Billing Dispute Notice is incomplete or contains inaccurate information.
- c) If the Access Provider fails to accept or reject the Billing Dispute Notice within five Business Days of acknowledging the Billing Dispute Notice under clause 3.15(a), the Access Provider is taken to have accepted the Billing Dispute Notice.
- d) For avoidance of doubt, if the Access Provider rejects a Billing Dispute Notice under clause 3.15(b)(ii)C, the Access Seeker is not prevented from providing an amended Billing Dispute Notice to the Access Provider relating to the same dispute provided that the amended Billing Dispute Notice is provided within the timeframe under clause 3.14.

3.16 The Access Seeker must, as early as practicable and in any case within five Business Days, unless the Parties agree on a longer period, after the Access Provider acknowledges a Billing Dispute Notice, provide to the other party any further relevant information or materials (which were not originally provided with the Billing Dispute Notice) on which it intends to rely (provided that this obligation is not intended to be the same as the obligation to make discovery in litigation).

3.17 Without affecting the time within which the Access Provider must make the proposed resolution under clause 3.1, the Access Provider may request additional information from the Access Seeker that it reasonably requires for the purposes of making a proposed resolution pursuant to clause 3.18. This additional information may be requested up to 10 Business Days prior to the date on which the Access Provider must make the proposed resolution under clause 3.18. The Access Seeker must provide the requested information within five Business Days of receiving the request. If the Access Seeker fails to do so within five Business Days, the Access Provider may take the Access Seeker's failure to provide additional information into account when making its proposed resolution.

3.18 The Access Provider must try to resolve any Billing Dispute as soon as practicable and in any event within 30 Business Days of accepting a Billing Dispute Notice under clause 3.15 (or longer period if agreed by the parties), by notifying the Access Seeker in writing of its proposed resolution of a Billing Dispute. That notice must:

- a) explain the Access Provider's proposed resolution (including providing copies where necessary of all information relied upon in coming to that proposed resolution); and
- b) set out any action to be taken by:
 - i. the Access Provider (e.g. withdrawal, adjustment or refund of the disputed Charge); or
 - ii. the Access Seeker (e.g. payment of the disputed Charge)

If the Access Provider reasonably considers that it will take longer than 30 Business Days after accepting a Billing Dispute Notice to provide a proposed resolution, then the Access Provider may request the Access Seeker's consent to an extension of time to provide the proposed resolution under this clause 3.18 (such consent not to be unreasonably withheld).

3.19 If the Access Seeker does not agree with the Access Provider's decision to reject a Billing Dispute Notice under clause 3.15 or the Access Provider's proposed resolution under clause 3.17, it must object within 15 Business Days of being notified of such decisions (or such longer time as agreed between the parties). Any objection lodged by the Access Seeker with the Access Provider must be in writing and state:

- a) what part(s) of the proposed resolution it objects to;
- b) the reasons for objection;
- c) what amount it will continue to withhold payment of (if applicable); and
- d) any additional information to support its objection.

If the Access Seeker lodges an objection to the proposed resolution under this clause, the Access Provider must, within 5 Business Days of receiving the objection, review the objection and

- e) provide a revised proposed resolution (Revised Proposed Resolution in this Schedule 3); or
- f) confirm its proposed resolution

3.20 Any:

- a) withdrawal, adjustment or refund of the disputed Charge by the Access Provider; or

- b) payment of the disputed Charge by the Access Seeker (as the case may be),

must occur as soon as practicable and in any event within one Month of the Access Provider's notice of its proposed resolution under clause 3.18 or its Revised Proposed Resolution under clause 3.19 (as applicable), unless the Access Seeker escalates the Billing Dispute under clause 3.23. If the Access Provider is required to make a withdrawal, adjustment or refund of a disputed Charge under this clause but its next invoice (first invoice) is due to be issued within 48 hours of its proposed resolution under clause 3.18 or its Revised Proposed Resolution under clause 3.19 (as applicable), then the Access Provider may include that withdrawal, adjustment or refund in the invoice following the first invoice notwithstanding that this may occur more than one Month after the Access Provider's notice of its proposed resolution or Revised Proposed Resolution.

- 3.21 Where the Access Provider is to refund a disputed Charge, the Access Provider must pay interest (at the rate set out in clause 3.6) on any refund. Interest accrues daily from the date on which each relevant amount to be refunded was paid to the Access Provider, until the date the refund is paid.

- 3.22 Where the Access Seeker is to pay a disputed Charge, the Access Seeker must pay interest (at the rate set out in clause 3.6) on the amount to be paid. Interest accrues daily from the date on which each relevant amount was originally due to be paid to the Access Provider, until the date the amount is paid.

- 3.23 If

- a) the Access Provider has not proposed a resolution according to clause 3.18 or within the timeframe specified in clause 3.18, or
- b) the Access Seeker, having first submitted an objection under clause 3.19 is not satisfied with the Access Provider's Revised Proposed Resolution, or the Access Provider's confirmed proposed resolution, within the timeframes specified in clause 3.19,

the Access Seeker may escalate the matter under clause 3.24. If the Access Seeker does not do so within 15 Business Days after the time period stated in clause 3.18 or after being notified of the Access Provider's Revised Proposed Resolution under clause 3.19(e) or confirmed proposed resolution under clause 3.19(f) (or a longer period if agreed by the parties), the Access Seeker is deemed to have accepted the Access Provider's proposed resolution made under clause 3.18 or Revised Proposed Resolution under clause 3.19(e) or confirmed proposed solution under clause 3.19(f) and clauses 3.21 and 3.22 apply.

- 3.24 If the Access Seeker wishes to escalate a Billing Dispute, the Access Seeker must give the Access Provider a written notice:

- a) stating why it does not agree with the Access Provider's Revised Proposed Resolution or confirmed proposed resolution; and
- b) seeking escalation of the Billing Dispute.

- 3.25 A notice under clause 3.24 must be submitted to the nominated billing manager for the Access Provider, who must discuss how best to resolve the Billing Dispute with the Access Seeker's nominated counterpart. If the Parties are unable to resolve the Billing Dispute within five Business Days of notice being given under clause 3.24 (or such longer period as agreed between the parties) the Billing Dispute must be escalated to the Access Provider's nominated commercial manager and the Access Seeker's nominated counterpart who must meet in an effort to resolve the Billing Dispute.
- 3.26 If the Billing Dispute cannot be resolved within five Business Days of it being escalated to the Access Provider's nominated commercial manager and the Access Seeker's nominated counterpart under clause 3.25 (or such longer period as agreed between the parties):
- a) either party may provide a written proposal to the other party for the appointment of a mediator to assist in resolving the dispute. Mediation must be conducted in accordance with the mediation guidelines of the Australian Commercial Disputes Centre (ACDC) and concluded within three Months of the proposal (unless the parties agree to extend this timeframe); or
 - b) if the parties either do not agree to proceed to mediation within five Business Days of being able to propose the appointment of a mediator under clause 3.26(a) or are unable to resolve the entire Billing Dispute by mediation, either party may commence legal proceedings to resolve the matter.
- 3.27 The parties must ensure that any person appointed or required to resolve a Billing Dispute takes into account the principle that the Access Seeker is entitled to be recompensed in circumstances where the Access Seeker is prevented (due to regulatory restrictions on retrospective invoicing) from recovering from its end-user an amount which is the subject of a Billing Dispute (a Backbilling Loss), provided that:
- a) such principle applies only to the extent to which the Billing Dispute is resolved against the Access Provider; and
 - b) such principle applies only to the extent to which it is determined that the Backbilling Loss was due to the Access Provider unnecessarily delaying resolution of the Billing Dispute.
 - c) Each party must continue to fulfil its obligations under this FAD while a Billing Dispute and the Billing Dispute Procedures are pending.
- 3.28 Each party must continue to fulfil its obligations under this FAD while a Billing Dispute and the Billing Dispute Procedures are pending.
- 3.29 All discussions and information relating to a Billing Dispute must be communicated or exchanged between the parties through the representatives of the parties set out in clause 3.25 (or their respective nominees).

- 3.30 There is a presumption that all communications between the Parties during the course of a Billing Dispute are made on a without prejudice and confidential basis.
- 3.31 If it is determined by the Billing Dispute Procedures, any other dispute resolution procedure, or by agreement between the parties, that three or more out of any five consecutive invoices for a given Service are incorrect by 5 per cent or more, then, for the purposes of clause 3.21, the interest payable by the Access Provider in respect of the overpaid amount of the invoices in question is the rate set out in clause 3.6, plus 2 per cent. The remedy set out in this clause 3.31 is without prejudice to any other right or remedy available to the Access Seeker.

Schedule 4 - Creditworthiness and Security

4.1 Unless otherwise agreed by the Access Provider, the Access Seeker must (at the Access Seeker's sole cost and expense) provide to the Access Provider and maintain, on terms and conditions reasonably required by the Access Provider and subject to clause 4.2, the Security (as is determined having regard to clause 4.3 and as may be varied pursuant to clause 4.4) in respect of amounts owing by the Access Seeker to the Access Provider under this FAD.

4.2

a) The Access Seeker acknowledges that unless otherwise agreed by the Access Provider, it must maintain (and the Access Provider need not release or refund) the Security specified in clause 4.1 for a period of six Months following (but not including) the date on which the last of the following occurs:

i. cessation of supply of the Service under this FAD, and

ii. payment of all outstanding amounts under this FAD.

b) Notwithstanding clause 4.2(a), the Access Provider has no obligation to release the Security if, at the date the Access Provider would otherwise be required to release the Security under clause 4.2(a), the Access Provider reasonably believes any person, including a provisional liquidator, administrator, trustee in bankruptcy, receiver, receiver and manager, other controller or similar official, has a legitimate right to recoup or claim repayment of any part of the amount paid or satisfied, whether under the laws or preferences, fraudulent dispositions or otherwise.

4.3 The Security (including any varied Security) may only be requested where an Access Provider has reasonable grounds to doubt the Access Seeker's ability to pay for services, and must be of an amount and in a form determined reasonably by the Access Provider taking into account all the relevant circumstances. As a statement of general principle the amount of any Security is calculated by reference to:

a) the aggregate value of all Services likely to be provided to the Access Seeker under this FAD over a reasonable period; or

b) the value of amounts invoiced in respect of the Service but unpaid (excluding any amounts in respect of which there is a current Billing Dispute notified in accordance with this FAD).

For the avoidance of doubt, any estimates, forecasts or other statements made or provided by the Access Seeker may be used by the Access Provider in determining the amount of a Security

4.4 Examples of appropriate forms of Security, having regard to the factors referred to in clause 4.3, may include without limitation:

- a) fixed and floating charges;
- b) personal guarantees from directors;
- c) Bank Guarantees;
- d) letters of comfort
- e) mortgages;
- f) a right of set-off;
- g) a Security Deposit; or
- h) a combination of the forms of security referred to in paragraphs (a) to (g) above.

If any Security is or includes a Security Deposit, then:

- i) the Access Provider is not obliged to invest the Security Deposit or hold the Security Deposit in an interest bearing account or otherwise; and
- j) the Access Seeker is prohibited from dealing with the Security Deposit or its rights to that Security Deposit (including by way of assignment or granting of security).

If any security is or includes a Bank Guarantee and that Bank Guarantee (Original Bank Guarantee) has an expiry date which is the last day by which a call may be made under a Bank Guarantee, the Access Seeker must procure a replacement Bank Guarantee for the amount guaranteed by the Original Bank Guarantee no later than two Months prior to the expiry date of the Original Bank Guarantee, such replacement Bank Guarantee to have an expiry date of no less than 14 Months from the date of delivery of the replacement Bank Guarantee.

If the Access Seeker fails to procure a replacement Bank Guarantee, then in addition to any other of the Access Provider's rights under this FAD, the Access Provider may, at any time in the Month prior to the expiry date of the Bank Guarantee, make a call under the Bank Guarantee for the full amount guaranteed. The amount paid to the Access Provider pursuant to a call on the Bank Guarantee will become a Security Deposit.

- 4.5 The Access Provider may from time to time where the circumstances reasonably require, request Ongoing Creditworthiness Information from the Access Seeker to determine the ongoing creditworthiness of the Access Seeker. The Access Seeker must supply Ongoing Creditworthiness Information to the Access Provider within 15 Business Days of receipt of a request from the Access Provider for such information. The Access Provider may, as a result of such Ongoing Creditworthiness Information, having regard to the factors referred to in clause 4.3 and subject to clause 4.7, reasonably require the Access Seeker to alter the amount, form or the terms of the Security (which may include a requirement to provide additional security), and the

Access Seeker must provide that altered Security within 20 Business Days of being notified by the Access Provider in writing of that requirement.

- 4.6 The Access Seeker may from time to time request the Access Provider to consent (in writing) to a decrease in the required Security and/or alteration of the form of the Security. The Access Provider must, within 15 Business Days of the Access Seeker's request, comply with that request if, and to the extent, it is reasonable to do so (having regard to the factors referred to in clause 4.3). The Access Provider may request, and the Access Seeker must promptly provide, Ongoing Creditworthiness Information, for the purposes of this clause 4.6.
- 4.7 If the Access Seeker provides Ongoing Creditworthiness Information to the Access Provider as required by this Schedule 4, the Access Seeker must warrant that such information is true, fair, accurate and complete as at the date on which it is received by the Access Provider and that there has been no material adverse change in the Access Seeker's financial position between the date the information was prepared and the date it was received by the Access Provider. If there has been a material adverse change in the Access Seeker's financial position between the date the information was prepared and the date it was received by the Access Provider, the Access Seeker must disclose the nature and effect of the change to the Access Provider at the time the information is provided.
- 4.8 For the purposes of this Schedule 4, **Ongoing Creditworthiness Information** means:
- a) a copy of the Access Seeker's most recent published audited balance sheet and published audited profit and loss statement (together with any notes attached to or intended to be read with such balance sheet or profit and loss statement);
 - b) a credit report in respect of the Access Seeker or, where reasonably necessary in the circumstances, any of its owners or directors (Principals) from any credit reporting agency, credit provider or other third party. The Access Seeker must co-operate and provide any information necessary for that credit reporting agency, credit provider or other independent party to enable it to form an accurate opinion of the Access Seeker's creditworthiness. To that end, the Access Seeker agrees to procure written consents (as required under the *Privacy Act 1988 (Cth)*) from such of its Principals as is reasonably necessary in the circumstances to enable the Access Provider to:
 - i. obtain from a credit reporting agency, credit provider or other independent party, information contained in a credit report;
 - ii. disclose to a credit reporting agency, credit provider or other independent party, personal information about each Principal; and
 - iii. obtain and use a consumer credit report;
 - c) a letter, signed by the company secretary or duly authorised officer of the Access Seeker, stating that the Access Seeker is not insolvent and not under any

external administration (as defined in the *Corporations Act 2001* (Cth)) or under any similar form of administration under any laws applicable to it in any jurisdiction; and

- d) the Access Seeker's credit rating, if any has been assigned to it; and
 - e) any other information reasonably required to determine the ongoing creditworthiness of the Access Seeker, as agreed between the parties before the request under clause 4.5 is made.
- 4.9 The Access Seeker may require a confidentiality undertaking to be given by any person having access to confidential information contained in its Ongoing Creditworthiness Information prior to such information being provided to that person.
- 4.10 Subject to this Schedule 4, the parties agree that a failure by the Access Seeker to provide the warranties set out in clause 4.7 or to provide Ongoing Creditworthiness Information constitutes:
- a) an event entitling the Access Provider to alter the amount, form or terms of the Security (including an entitlement to additional Security) of the Access Seeker and the Access Seeker must provide that altered Security within 15 Business Days after the end of the period set out clause 4.5; or
 - b) breach of a material term or condition of this FAD.

Any disputes arising out of or in connection with Schedule 4 must be dealt with in accordance with the procedures in Schedule 5. Notwithstanding that a dispute arising out of or in connection with Schedule 4 has been referred to the procedures in Schedule 5 and has not yet been determined, nothing in this clause 4.10 or Schedule 5 prevents the Access Provider from exercising any of its rights to suspend the supply of a Service under Schedule 7.

Schedule 5 - General dispute resolution procedures

- 5.1 If a dispute arises between the parties in connection with or arising from the terms and conditions set out in this FAD for the supply of the Service, the dispute must be managed as follows:
- a) in the case of a Billing Dispute, the dispute must be managed in accordance with the Billing Dispute Procedures; or
 - b) subject to clause 5.2, in the case of a Non-Billing Dispute, the dispute must be managed in accordance with the procedures set out in this Schedule 5.
- 5.2 To the extent that a Non-Billing Dispute is raised or arises in connection with, or otherwise relates to, a Billing Dispute, then unless otherwise determined, that Non-Billing Dispute must be resolved in accordance with the Billing Dispute Procedures. The Access Provider may seek a determination from an independent third party on whether a dispute initiated by the Access Seeker as a Billing Dispute is a Non-Billing Dispute. If the independent third party deems the dispute to be a Non-Billing Dispute, the Access Provider may provide written notice to the Access Seeker to pay any withheld amount to the Access Provider on the due date for the disputed invoice or if the due date has passed, immediately on notification being given by the Access Provider.

For the purposes of this clause 5.2:

- a) the independent third party must be a person who:
 - i. has an understanding of the relevant aspects of the telecommunications industry (or have the capacity to quickly come to such an understanding);
 - ii. have an appreciation of the competition law implications of his/her decisions; and
 - iii. not be an officer, director or employee of a telecommunications company or otherwise have a potential for a conflict of interest;
 - b) the independent third party may include an arbiter from the ACDC.
- 5.3 If a Non-Billing Dispute arises, either party may, by written notice to the other, refer the Non-Billing Dispute for resolution under this Schedule 5. A Non-Billing Dispute must be initiated only in good faith.
- 5.4 Any Non-Billing Dispute notified under clause 5.3 must be referred:
- a) initially to the nominated manager (or managers) for each party, who must endeavour to resolve the dispute within 10 Business Days of the giving of the notice referred to in clause 5.3 or such other time agreed by the parties; and
 - b) if the persons referred to in paragraph (a) above do not resolve the Non-Billing Dispute within the time specified under paragraph (a), then the parties may agree

in writing within a further five Business Days to refer the Non-Billing Dispute to an Expert Committee under clause 5.11, or by written agreement submit it to mediation in accordance with clause 5.10.

- 5.5 If:
- a) under clause 5.4 the Non-Billing Dispute is not resolved and a written agreement is not made to refer the Non-Billing Dispute to an Expert Committee or submit it to mediation; or,
 - b) under clause 5.10(f), the mediation is terminated; and
 - c) after a period of five Business Days after the mediation is terminated as referred to in paragraph (b), the parties do not resolve the Non-Billing Dispute or agree in writing on an alternative procedure to resolve the Non-Billing Dispute (whether by further mediation, written notice to the Expert Committee, arbitration or otherwise)
- either party may terminate the operation of this dispute resolution procedure in relation to the Non-Billing Dispute by giving written notice of termination to the other party.
- 5.6 A party may not commence legal proceedings in any court (except proceedings seeking urgent interlocutory relief) in respect of a Non-Billing Dispute unless:
- a) the Non-Billing Dispute has first been referred for resolution in accordance with the dispute resolution procedure set out in this Schedule 5 or clause 5.2 (if applicable) and a notice terminating the operation of the dispute resolution procedure has been issued under clause 5.5; or
 - b) the other party has failed to substantially comply with the dispute resolution procedure set out in this Schedule 5 or clause 5.2 (if applicable).
- 5.7 Each party must continue to fulfil its obligations under this FAD while a Non-Billing Dispute and any dispute resolution procedure under this Schedule 5 are pending.
- 5.8 All communications between the parties during the course of a Non-Billing Dispute and in connection with that Non-Billing Dispute, are made on a without prejudice and confidential basis.
- 5.9 Each party must, as early as practicable, and in any case within 14 Calendar Days unless a longer period is agreed between the parties, after the notification of a Non-Billing Dispute pursuant to clause 5.3, provide to the other party any relevant materials on which it intends to rely (provided that this obligation is not intended to be the same as the obligation to make discovery in litigation).
- 5.10 Where a Non-Billing Dispute is referred to mediation by way of written agreement between the parties, pursuant to clause 5.4(b):
- a) any agreement must include:

- i. a statement of the disputed matters in the Non-Billing Dispute; and
 - ii. the procedure to be followed during the mediation, and the mediation must take place within 15 Business Days upon the receipt by the mediator of such agreement;
- b) it must be conducted in accordance with the mediation guidelines of the ACDC in force from time to time (**ACDC Guidelines**) and the provisions of this clause 5.10. In the event of any inconsistency between them, the provisions of this clause 5.10 prevail;
- c) it must be conducted in private;
- d) in addition to the qualifications of the mediator contemplated by the ACDC Guidelines, the mediator must:
- i. have an understanding of the relevant aspects of the telecommunications industry (or have the capacity to quickly come to such an understanding);
 - ii. have an appreciation of the competition law implications of his/her decisions; and
 - iii. not be an officer, director or employee of a telecommunications company or otherwise have a potential for a conflict of interest;
- e) the parties must notify each other no later than 48 hours prior to mediation of the names of their representatives who will attend the mediation. Nothing in this subclause is intended to suggest that the parties are able to refuse the other's chosen representatives or to limit other representatives from the parties attending during the mediation;
- f) it must terminate in accordance with the ACDC Guidelines;
- g) the parties must bear their own costs of the mediation including the costs of any representatives and must each bear half the costs of the mediator; and
- h) any agreement resulting from mediation binds the parties on its terms.

5.11 The parties may by written agreement in accordance with clause 5.4(b), submit a Non-Billing Dispute for resolution by an Expert Committee (**Initiating Notice**), in which case the provisions of this clause 5.11 apply as follows:

- a) The terms of reference of the Expert Committee are as agreed by the parties. If the terms of reference are not agreed within five Business Days after the date of submitting the Initiating Notice (or such longer period as agreed between the parties), the referral to the Expert Committee is deemed to be terminated.
- b) An Expert Committee acts as an expert and not as an arbitrator.
- c) The parties are each represented on the Expert Committee by one appointee.

- d) The Expert Committee must include an independent chairperson agreed by the parties or, if not agreed, a nominee of the ACDC. The chairperson must have the qualifications listed in paragraphs 5.10(d)(i), (ii) and (iii).
- e) Each party must be given an equal opportunity to present its submissions and make representations to the Expert Committee.
- f) The Expert Committee may determine the dispute (including any procedural matters arising during the course of the dispute) by unanimous or majority decision.
- g) Unless the parties agree otherwise the parties must ensure that the Expert Committee uses all reasonable endeavours to reach a decision within 20 Business Days after the date on which the terms of reference are agreed or the final member of the Expert Committee is appointed (whichever is the later) and undertake to co-operate reasonably with the Expert Committee to achieve that timetable.
- h) If the dispute is not resolved within the timeframe referred to in clause 5.11(g), either party may by written notice to the other party terminate the appointment of the Expert Committee.
- i) The Expert Committee has the right to conduct any enquiry as it thinks fit, including the right to require and retain relevant evidence during the course of the appointment of the Expert Committee or the resolution of the dispute.
- j) The Expert Committee must give written reasons for its decision.
- k) A decision of the Expert Committee is final and binding on the parties except in the case of manifest error or a mistake of law.
- l) Each party must bear its own costs of the enquiry by the Expert Committee including the costs of its representatives, any legal counsel and its nominee on the Expert Committee and the parties must each bear half the costs of the independent member of the Expert Committee.

5.12 Schedule 5 does not apply to a Non-Billing Dispute to the extent that:

- a) there is a dispute resolution process established in connection with, or pursuant to, a legal or regulatory obligation (including any dispute resolution process set out in a Structural Separation Undertaking)
- b) a party has initiated a dispute under the dispute resolution process referred to in clause 5.12(a), and
- c) the issue the subject of that dispute is the same issue in dispute in the Non-Billing Dispute.

Schedule 6 - Confidentiality provisions

- 6.1 Subject to clause 6.4 and any applicable statutory duty, each party must keep confidential all Confidential Information of the other party and must not:
- a) use or copy such Confidential Information except as set out in this FAD; or
 - b) disclose or communicate, cause to be disclosed or communicated or otherwise make available such Confidential Information to any third person.

- 11.2 Upon completion of the process set out in clause 11.1, the Access Provider must notify the Access Seeker and make available to the Access Seeker a copy of the new operational document
- 11.3 Where operational documents concerning the Service are amended in accordance with clause 11.1 and the Access Seeker believes that the amendments:

Schedule 13 (a) – Ordering and provisioning (Managed Network Migrations to the ULLS and the LSS)

Minimum number of services

- 13.1 Except where the parties agree otherwise, it is at the discretion of the Access Seeker whether a particular Service is to be connected as part of any managed network migration (MNM), or outside of an MNM.
- 13.2 The Access Seeker will notify the Access Provider at the time the order is made whether a particular Service is to be connected as part of an MNM or outside of an MNM.
- 13.3 Except where the parties agree otherwise, there is no minimum number of services required as a pre-requisite for requesting an MNM.

Migration plan terms (forecasting timeframes)

- 13.4 Unless the parties agree otherwise, the period of notice that an Access Seeker must give for an MNM is 56 Calendar Days.
- 13.5 Subject to clause 13.6, the Access Provider must not cancel an MNM where the number of Services to be cutover as specified in the 20 Business Day forecast differs to the number of Services specified in the 56 Calendar Day forecast.
- 13.6 If the cutover of Services cannot occur within the 56 Calendar Day forecast period because of a significant variation between the 56 Calendar Day forecast and the 20 Business Day forecast, the Access Provider must take all reasonable steps to ensure that cutover occurs as soon as practicable following the conclusion of that period.
- 13.7 For the purpose of this determination a reference to a significant variation refers to a variation of more than 10 per cent of the MNM forecast.

Note: for instance the cutover may not occur because of a significant variation between the 56 Calendar Day forecast and the 20 Business Day forecasts.

Connections outside Business Hours

- 13.8 Except where the parties agree otherwise, it is at the discretion of the Access Seeker whether a particular Service is to be connected within Business Hours or outside of Business Hours.

Note: additional charges may be payable for work done outside of Business Hours.

Limits on the number of exchanges per state per day at which MNM cutovers can be scheduled

- 13.9 Except where the parties otherwise agree, and subject to clause 13.10, the Access Provider must not refuse to schedule a cutover for an MNM at an Exchange because the Access Seeker has requested an MNM cutover at another Exchange or other Exchanges in that state on the same day.

13.10 The Access Provider may refuse a requested MNM cutover date where it would be inconsistent with a capacity limitation notice (**Limitation Notice**), provided that the Access Provider has published the Limitation Notice on its website, and has, on the Access Seeker's request, provided a copy of the notice to the Access Seeker as soon as is practicable.

- a) For the avoidance of doubt, a request by an Access Seeker for a copy of a Limitation Notice may be made generally for all future Limitation Notices or for one or more specific Limitation Notices.

13.11 The Limitation Notice must specify:

- c) the limit that is to apply
- d) the period and the ESAs to which it applies; and
- e) the reasons for the limit being necessary by reference to forecast demand and available capacity.

13.12 The Limitation Notice lapses 60 Calendar Days after it is published, unless withdrawn earlier.

Note: Another Limitation Notice may be issued to replace a lapsed notice.

13.13 The Access Provider must not unreasonably refuse to vary or withdraw the Limitation Notice on the request for an Access Seeker.

Capacity Limits on ULLS provisioning

13.15 Except where the parties agree, and subject to clause 13.16, the Access Provider must not unreasonably limit the number of Services that can be provisioned per day at a particular Exchange and must use its best endeavours to supply all requested cutovers for a particular day.

13.16 The Access Provider may refuse a requested cutover for a Service at a particular Exchange where it is not reasonably able to perform the cutover on that day having regard to the volume of work orders, for that Exchange or for all Exchanges, and the labour that is available on that day, subject to the Access Provider performing the cutover the following Business Day.

Advice regarding Complex Services affecting ULLS orders

13.17 Except where the parties agree otherwise, where:

- a) an Access Seeker has submitted a ULLS request; and

b) the Service Qualification query fails due to the presence of Complex Services on the line,

the Access Provider will provide to the Access Seeker a list of the Complex Services present on the line at the time it advises the Access Seeker of the results of the Service Qualification query.

Schedule 13 (b) - New ULLS ordering and provisioning processes (LSS to ULLS Transfer processes)

Scope

13.18 Except where the parties subsequently agree otherwise, clauses 13.18 to 13.23 apply where an Access Seeker requests the Transfer of a LSS to a ULLS from the Access Provider.

Terms

13.19 The Access Seeker must provide instructions about whether or not the Transfer should occur as part of a MNM in accordance with the MNM forecasting timeframes and notice periods specified in clauses 13.4 to 13.7 of this FAD, or as otherwise agreed between the parties.

13.20 The Access Provider must take all reasonable efforts to comply with the Access Seekers instructions provided pursuant to clause 13.19.

13.21 Both the Access Provider and the Access Seeker must allow for the Transfer of the LSS to ULLS in accordance with the following minimum characteristics:

- a) the period in which a LSS to ULLS Transfer is performed (that is, the period in which a LSS is disconnected and a ULLS is connected) will be no longer than four hours;
- b) a Transfer must not require end-user involvement with the Access Provider (including, without limitation, the making of a telephone call or sending of correspondence by the enduser to the Access Provider). A request for a LSS to ULLS Transfer will be deemed a cancellation of any existing PSTN line rental and LSS provided the Access Seeker has obtained the necessary customer authority for the cancellation of end-user PSTN services;
- c) a Transfer is commenced and executed by a single provisioning order from the Access Seeker to the Access Provider; and
- d) the Access Provider will charge the Access Seeker a single charge for undertaking a LSS to ULLS Transfer whether the Transfer occurs as a single connection or as part of an MNM.

13.22 The Access Provider must ensure that the development and implementation of the LSS to ULLS Transfer process will result in no changes to how the Access Seeker currently interfaces to the ULLS Carrier Interface System (ULLCIS).

Connect Outstanding process for ULLS order

13.23 Except where the parties agree otherwise, the Access Provider will maintain a Connect Outstanding process for the ULLS from the Commencement Date.

13.24 The Connect Outstanding process for the ULLS must:

- a) support the cancellation of an existing service on a line upon the Access Provider receiving from the Access Seeker advice that the Access Seeker has obtained Proof of Occupancy; and,
- b) facilitate the connection of a ULLS in response to a ULLS request submitted by an Access Seeker in respect of that line.

Schedule 14 – Recourse to regulated terms

14.1 Unless otherwise agreed by the parties, if

- a) an Access Agreement between an Access Provider and an Access Seeker is in force and the Access Agreement relates to access to the same Service which one of the FADs relates to;
- b) the ACCC makes or varies a Regulatory Determination in relation to the Service and the new Regulatory Determination or the variation deals with a matter other than price; and
- c) a party to the Access Agreement proposes, by written notice, to the other party to vary the Access Agreement to reflect the terms and conditions in the new or varied Regulatory Determination about that matter,

each party must:

- i. consider the proposed changes in good faith; and
- ii. negotiate the proposed changes in good faith for a reasonable period not exceeding 20 Business days unless a longer period of time is agreed in writing, including, if requested by the other party, to meet with the other party to discuss the other party's proposal.

14.1A If the process under clause 14.1 does not result in a variation to the Access Agreement, this is not a Non-Billing Dispute or Billing Dispute for the purposes of this FAD.

14.2 Unless otherwise agreed by the parties, if

- a) an Access Agreement between an Access Provider and an Access Seeker is in force and the Access Agreement relates to access to the same Service which one of the FADs relates to; and
- b) the ACCC makes or varies a Regulatory Determination in relation to the Service and the new Regulatory Determination or the variation deals with a matter other than price;

either party may terminate the Access Agreement in respect of that Service (but only in respect of that Service) by providing the other party with a written notice, and termination will take effect on the expiry of the period specified in the notice, which must be no less than 120 Business Days after the day that notice is provided.
