Dear Ms Coles,

I am writing further to GrainCorp's April 2015 submission for exemption from Port Terminal Access (Bulk Wheat) Regulation for its Port Kembla terminal.

GrainCorp confirms that there has been no material change to the information provided in our submission.

We note that our competitor, the Quattro Terminal at Port Kembla, is expected to commence loading a vessel for COFCO within the next week or two.

Now that the Quattro terminal is operational, we look forward to the ACCC's confirmation of the exemption of our facility, in line with the Draft Determination.

Please do not hesitate to contact me on (02) 9325 9117 should you require any further information.

Yours sincerely,

NEIL JOHNS
