Dear Mr O'Connor

**Digital radio access undertaking — Digital Radio Broadcasting Sydney
(Licence Number: 1901420)**

I am writing to advise you that the ACCC has determined—pursuant to subsection 118NF(5) of the *Radiocommunications Act 1992* (Cth)—that the access undertaking attached to this notice will be the access undertaking in relation to digital radio multiplex transmitter licence number 1901420.

This determination follows the ACCC's decision on 18 March 2009 to reject the access undertaking submitted by Digital Radio Broadcasting Sydney pursuant to Division 4B, Subdivision B of the Act.

The ACCC made the determination following a consultation process as required under subsection 118NF(6) of the Act.

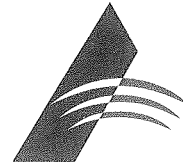

The reasons for the decision are set out in the attached document - *Determination that ACCC-modified access undertakings are the access undertakings in relation to the digital radio multiplex transmission licences* and should be read in conjunction with the reasons for decision set out in *Assessment of undertakings in relation to digital radio multiplex transmission services: Final decision* dated 19 March 2009.

Yours sincerely
