Dear Mr Johns

**ACCC final determination on exemption of GrainCorp's Port Kembla bulk wheat terminal under the Port Terminal Access (Bulk Wheat) Code of Conduct (the Code)**

This letter is to formally notify you that the ACCC, pursuant to subclause 5(2) of the Code, has determined GrainCorp Operations Limited to be an exempt service provider of port terminal services provided by means of its port terminal facility at Berth 103, Port Kembla.

The reasons for making this determination are set out in the ACCC's final position document dated 1 October 2015, relating to the exemption assessments for GrainCorp Operations Limited and Quattro Ports at Port Kembla. The determination itself is provided in the ACCC's final determinations document dated 1 April 2016.

Both of these documents are available on the ACCC's website at <https://www.accc.gov.au/regulated-infrastructure/wheat-export/wheat-export-projects/port-kembla-wheat-ports-exemption-assessments>.

If you have any queries, please contact Renée Coles on (03) 9290 6921.

Yours sincerely
