Mr Michael Raidis  
Manager  
Semaphore Container Services Pty Ltd  
579-569 Mersey Rd N, Osborne  
SA 5017

Dear Mr Raidis

**ACCC final determination on exemption of Semaphore's Port Adelaide bulk wheat terminal under the Port Terminal Access (Bulk Wheat) Code of Conduct (the Code)**

This letter is to formally notify you that the ACCC, pursuant to subclause 5(2) of the Code, has determined Semaphore Container Services Pty Ltd to be an exempt service provider of port terminal services provided by means of its port terminal facility at Osborne Berth 1, Port Adelaide.

The reasons for making this determination are set out in the ACCC's final determination document, which is available on the ACCC's website at: <https://www.accc.gov.au/regulated-infrastructure/wheat-export/wheat-export-projects/semaphore-port-adelaide-wheat-port-exemption-assessment>.

As you are aware, exempt service providers are not required to comply with Parts 3 to 6 of the Code but are still required to comply with Part 2 of the Code. The obligations in Part 2 require Semaphore to deal with exporters in good faith, and to publish certain information on its website. As you are aware, this information includes Semaphore's port loading statement, policies and procedures for managing demand for port terminal services, standard terms and reference prices.

If you have any queries, please contact Katie Young on (03) 9290 6980 or Scott Sanderson on (03) 9658 6527.

Yours sincerely

Matthew Schroder
