Hi  
 I have read in the local Broome paper that there is an inquiry into insurance in the north of Australia. I would like to make this submission.  
 My wife and I purchased a house in Broome in 2009.  
 We insured with GIO till Jan 2017 .  
 There is a number of issues to address.

- 1.The yearly excessive increases in Premium.
- 2.The lack of information on the amount you pay on your premium.
3. The unethical insurance conduct.

### 1. Excusive **premium increases**

Each year we received huge increases in our premiums from 20% to over 50%.  
 Every year we would call the insurer(sometime 3 or4 times) to reduce this increases. The discounts received would amount to 100's of dollars.  
 But even with the discounts the premium was still increasing over 15%. a year.

See spread sheet for premiums paid.  
 The increases were so large in 2014 I wrote to the Financial Ombudsman Service. (See attached)  
 The largest of all increases was in 2017 (the reason we changed insurer). The premium when from just over \$2000 to quoted over \$5000.

### 2. **The lack of information**

Each year we dispute the large increases of Premium's and intern pay less. We never receive a new statement with the new amount to be payed. See all attached are the original renewal notices. this makes it nearly impossible to check on the amount that had been in the past. It is very hard to compare. (we have to resort in looking through bank statements).  
 There should be a comparison on the bill on what the premium was last year vs the new premium. ( like water bills)

On most of our renewals we do not get the yearly premium rate, only a weekly rate. This makes it harder to know of the huge increases.

### 3. **The unethical insurance conduct**

In October 2015 We rented our house as we went traveling. We changed our home and contents policy with GIO to land lord insurance (the right thing to do while we where away).

We can accept that insurance for land lord is at a higher premium.

Again after 12 months(oct 2016) the renewal cam in with over 35% increase in a year. Again we disputed this. (an expensive phone call from overseas) and ended up still with whooping 30% increase.

Knowing we would be changing land lord insurance back to Home and contents in Jan 2017 we had to pay.

In Jan 2017 we returned from our trip and moved back into our house.

I contacted GIO and stated that we had moved back in on would need to change our policy back to Home and contents.

The GIO rep was very good and said we would have to cancel the Land lord insurance and re open a home and contents policy.

It was only when the GIO rep told me our new premium would be over \$5000 (I think it was \$6300).

I asked to keep my landlord insurance so I could shop else where for a better rate. I was informed that I had just cancelled it so I was now uninsured. .

I had no choice but to insure at more than double the premium of my previous Home and contents only 16 months earlier.

With in a week we found another insurer that would insure us.

#### Notes.

Since purchasing our house the house prices have greatly reduced so has the cost of replacement.

Our house and land value in 2009 was \$600 000

Our house and land value in 2017 is now approx. \$430 000

We have tried to always keep premiums down so we have a very high excess and no extra cover eg accidental brakeage. We just would like the piece of mine that if something was to happen to the house we would not be left with a large mortgage and no house. This is what insurance is for.??

Our house is in no more or no less risk of damage as when we first insured in 2009.

When looking alternative insurance company's its nearly impossible to find a company to insure us in Broome. I must of rang over 10 company's and only received maybe 2 quotes. (Are we not Australians because we live and work outside a major city).

I have attached all the information I have, and I give permission to the ACCC to look into all of my dealing with my Insurance and access any information tapes or documents that GIO may have on file.

All I would like to see is adorable insurance so my family wife and 2 girls can afford to have insurance for a family home. And not the yearly excessive increases year on year.

Thanks For you time and would love to help with this inquiry.

Please contact me.

Before you decide to buy this product from us, please read this PDS carefully. If you purchase this product, your policy comprises of this PDS and your certificate of insurance which shows the details particular to you.

The information in this PDS was current at the date of preparation. We may update some of the information in the PDS that is not materially adverse from time to time without needing to notify you. You can obtain a copy of any updated information by visiting [gio.com.au](http://gio.com.au) or by contacting us on **13 10 10**. We will give you a free paper copy of any updates if you request them.

In some circumstances the terms and conditions of this PDS may be amended by a Supplementary PDS (SPDS).

### PED Guide

Throughout this PDS you will be referred to a guide called: Premiums, Excesses, Discounts and Claim Payments Guide, indicated as 'Refer to the PED Guide for further information'. This guide will provide you with further information and is available at [gio.com.au/moredetails](http://gio.com.au/moredetails). You can obtain a copy on request, at no charge, if you contact us.

### Cooling off period

After this insurance begins or you renew your policy for another period of insurance, you have **21** days to consider the information in your PDS. This is called the 'cooling off period'. If you wish, and provided you have not made a claim, you can exercise your cooling off rights within **21** days from the day cover began or was renewed. When you exercise your cooling off rights, we will refund in full the money you have paid for that period of insurance but you will have no cover from when your policy would have otherwise begun or from your renewal date.

Alternatively, you can cancel your policy at any time during the period of insurance. When you do this, and unless we tell you otherwise, you will have cover up until the date of cancellation. For more information see 'Cancellation by you' on page 63.

### Who is this product designed for?

This product is designed to provide insurance cover for owners of investment properties that are tenanted. You may also choose to cover the contents in your tenanted property or unit.

This product does not provide cover to any portion of your unit which is legally part of a strata title building.

## Your duty of disclosure

You have a duty of disclosure to tell us everything you know, or could reasonably be expected to know, is relevant to our decision to insure anyone under the policy, including you, and on what terms.

It includes matters we specifically ask about when you apply for a policy, or renew or alter your policy, and any other matters which might affect whether we insure you and on what terms.

The information you tell us can affect:

- ▶ if special conditions will apply to your policy.

You do not need to tell us of anything which:

- ▶ reduces the chances of you making a claim; **or**
- ▶ we should know about because of the business we are in; **or**
- ▶ we tell you we do not want to know.

If you are unsure it is better to tell us. If you do not tell us something which you know or should know is relevant, we might reduce a claim, refuse to pay a claim, cancel your policy or, if fraud is involved we can treat the policy as if it never existed.

## Exclusion for new policies

We do not insure you for bushfire, storm, flood or tsunami in the first **72** hours of your policy. Very limited exceptions apply. For full details see 'General exclusions' on pages 42 to 48.

## About your sum insured

### What is a sum insured?

The sum insured is the most you can claim for any one incident unless stated otherwise in this PDS. The amount is shown on the certificate of insurance or in this PDS and includes GST.

### Make sure your sum insured is adequate

Underinsurance can expose you to serious financial loss if a claim occurs. It is your responsibility to make sure your property and contents are insured for their full 'new for old' replacement value.

To help you calculate the replacement value of your property and contents, we provide a 'Building Calculator' and a 'Contents Calculator' that you can access at our website, [gio.com.au](http://gio.com.au)

### Review your sum insured regularly

You need to ensure your sums insured are accurate when you first insure your property and contents and each time you renew your policy. To ensure your sums insured are adequate it is important to review them regularly, being mindful of items purchased recently, and ask us to change the sum insured when required.

### If you over-insure

We will not pay more than it costs us to rebuild, repair or replace your property or contents.

We will not refund any premium paid for over-insuring.

### Adjustments on renewal

We automatically adjust the property sum insured and contents sum insured on your certificate of insurance at the end of each period of insurance to account for various factors including inflationary trends.

## About your premium

The premium is the amount you pay us for this insurance and it includes stamp duty, GST, other government charges and any fire services levy (FSL) that applies. The total amount payable will be shown on your certificate of insurance or, if you pay by instalments, the amount due each month will also be shown on your certificate of insurance as 'monthly instalment'.

In addition to your sum insured, we use many factors about you and your property and contents to work out your premium. These are called premium factors. The premium factors we use reflect the likelihood of you making a claim together with other factors related to our cost of doing business.

Each time you renew your insurance your premium is likely to change, even if your personal circumstances have not changed. This is because premiums are affected by other things such as our expenses of doing business and changes in our approach to how we calculate your premium.

Your premium includes any discounts we have given you.

### Refer to the PED Guide for further information

## Paying your premium

We will tell you how much you have to pay and how much time you have for payment on your certificate of insurance. You must pay the premium by the due date to get this insurance cover. You can pay in one annual payment or, if we agree, by instalments. If you pay your premium by instalments it costs you more than if you choose to pay your premium in one annual payment.

Unless we tell you, any payment reminder we send you does not change the expiry or due date. If you do not pay the full amount, we may reduce the period of insurance so it is in line with the amount you paid.

If you make a change to your policy details it may affect your premium you need to pay for the remainder of your period of insurance.

### Late annual payments

If you do not pay your premium by the due date in the first year of insurance with us, we will give you a written notice of policy cancellation where we are required by law to do so.

If you do not pay the premium due on renewal by the due date, you will have no cover from the due date.

If we accept your late payment, we might recommence your cover from the date we receive your payment. If so, you will have no cover for the period from the due date until the date of payment.

### Overdue monthly instalments

If you pay your premium by instalments and your instalment is overdue, we can do one or both of the following:

- ▶ refuse to pay a claim if an instalment is **14** days (or more) overdue;
- ▶ cancel your policy without notifying you in advance if an instalment is **1** month (or more) overdue.

## Your responsibilities

### You must:

- ▶ keep your property or unit and any contents well maintained and in good condition. For what we mean by 'well maintained and in good condition' see 'Words with special meanings' on pages 64 to 68;
- ▶ take all reasonable care to prevent theft, loss, damage or legal liability;
- ▶ follow all the terms and responsibilities set out in your policy;
- ▶ provide honest and complete information for any claim, statement or document supplied to us;
- ▶ ensure that your property complies with local government or other statutory requirements at all times.

### Not meeting your responsibilities

If you do not meet your responsibilities, it may lead us to do one or both of the following:

- ▶ reduce or refuse to pay your claim;
- ▶ cancel your insurance policy.

## When your property or unit will be unoccupied for more than 60 days

We will apply the unoccupied excess to each incident covered by your policy unless this policy states that no excess applies to your claim if, at the time of the incident, the property or unit has been unoccupied for more than **60** continuous days.

A period of unoccupancy starts when the property or unit becomes unoccupied and comes to an end when you, or someone nominated by you, has occupied the property or unit for at least **2** consecutive nights. You may be asked to prove the occupancy of the property or unit in the event of a claim. This may be supported by the usage of the utilities that are connected to the property or unit. Sometimes we might ask for other evidence of occupancy. We will decide if the unoccupied excess applies.

If you have to pay an unoccupied excess it is payable in addition to any other excess that applies to your claim. For more details about the unoccupied excess, see page 52.

## When you need to contact us

### You must contact us when:

- ▶ you or your agent become aware your tenant starts to operate or intends to operate a business activity at the insured address;
- ▶ you or your agent become aware of changes to any business activity operated at the insured address, such as:
  - ▶ the type of business activity changes;
  - ▶ people start to come to the insured address;
  - ▶ business signage is installed;
  - ▶ storage of chemicals for the business activity occurs.
- ▶ any detail on your certificate of insurance is no longer accurate, such as the insured address;
- ▶ you intend to demolish your property, have lodged an application to do this, or a government authority has issued a demolition order;
- ▶ the insured address ceases to be tenanted;
- ▶ trespassers (squatters) occupy the insured address;
- ▶ you commence building or renovations at the insured address;
- ▶ anything else happens that increases the chance that loss, damage or injury will occur at the insured address;
- ▶ you no longer have a rental agreement (see 'Words with special meanings' on pages 64 to 68) for the insured address.

### What we will do when you contact us

When you contact us and tell us about these changes, we may decide to impose an additional excess, charge an additional premium or apply a special condition to your policy. In some cases, it could mean we can no longer insure you and we will cancel your policy.

## Making a claim

Contact us as soon as possible if you suffer loss or damage, or if there is an incident that could result in a claim.

### What you must do

Step 1	Step 2	Step 3	Step 4
<p><b>Make sure everyone is safe. For emergencies call 000.</b></p>	<p><b>Try to prevent further loss or damage.</b> If possible take reasonable steps to prevent further loss, damage or liability (e.g. if there is a hole in the roof, arrange for it to be covered to prevent further water damage from the rain).</p>	<p><b>Immediately report any theft and malicious damage to the police.</b> Give them a list of all stolen or damaged items. Keep details of the date reported, name of the police officer, police station reported to and the report number.</p>	<p><b>Contact us as soon as possible on 13 14 46.</b> You can call us <b>24</b> hours a day. If you delay reporting your claim, we may not pay for any additional loss or damage caused by your delay.  Describe details of what has been affected by the event (e.g. a broken window, storm damage or a list of stolen items).  <b>Note:</b> If the damage to your property or contents was caused by another person, please provide us their name and address or, if applicable, their registration details.</p>

### How the Goods and Services Tax (GST) affects this insurance

You must tell us about the input tax credit (ITC) you are entitled to for your premium and your claim, each time you make a claim. If you do not give us this information or if you tell us an incorrect ITC, we will not pay any GST liability you incur. Our liability to you will be calculated taking into account any input tax credit to which you are entitled for any acquisition which is relevant to your claim, or to which you would have been entitled were you to have made a relevant acquisition.

### Legal liability claims

You must tell us about any incident that has caused an injury to others or damage to other people's property.

You also must immediately tell us about any demands made on you to pay compensation to others and any court actions or offers of settlement and send these to us.

If you make a legal liability claim that is covered under this policy we can decide to defend you, settle any claim against you or represent you at an inquest, official enquiry or court proceedings.

If we decide to defend you, settle any claim against you or represent you, then you must give us all the help we need, including help after your claim is settled.

For more details on 'Legal liability' cover see pages 39 to 41.

### To process the claim, you must

- ▶ allow us to inspect the damaged property and/or contents;
- ▶ allow us to arrange for experts to assess the damaged property and/or contents and to quote on repair or replacement;
- ▶ provide us with a quote for repair or replacement if we ask for this. If you choose to use our recommended repairers (when available), there is no need to obtain your own quotes;
- ▶ when requested, provide us with all proofs of ownership and value, information, co-operation and assistance in relation to a claim (including giving evidence in court) as we may reasonably require;
- ▶ allow us, or a person nominated by us, to recover, salvage or take possession of your property and/or contents. When we ask, you must send any items to us, or cooperate in our collection or retrieval of such items;
- ▶ consult an expert if we ask for this.

- ▶ do not carry out or authorise repairs without our consent **unless** you cannot contact us and need to make emergency repairs to protect your property or contents;

- ▶ do not negotiate, pay or settle a claim with anyone else **unless** we agree;
- ▶ do not accept payment from someone who admits fault for loss or damage to your property or contents. Refer them to us instead.

### If you do not comply

If you do not comply with 'What you must do' and 'What you must not do' we can reduce or refuse your claim and/or recover costs from you or cancel your policy.

### If we decline a claim

We will provide reasons for our decision to decline and if you decide to lodge a claim, we will send you written confirmation of our decision.

## How to establish your loss

### Establish an incident took place

When making a claim you must be able to prove that an incident covered by your policy actually took place. If you do not do this, we will not be able to pay your claim.

We may obtain the following from the police:

- ▶ confirmation that you reported the incident;
- ▶ details of any investigations they undertook.

You must give us authority to access these records, if we ask.

### Describe your loss or damage

You must also give us accurate and full details of what was lost, stolen or damaged and give us proof of value and ownership for items claimed if we request it.

### When your property or contents are damaged

Allowing us, a repairer or an expert appointed by us, to look at what is damaged is usually all that is needed to prove your loss. Sometimes though we might ask you to produce a copy of the most recent plans and drawings for your property, photographs of your property or other evidence that supports the extent of the loss you have suffered. For valuable and badly damaged items, we may ask you to provide proof of ownership and value.

If we decide that you are unable to reasonably substantiate your claim, we might reduce or refuse your claim.

### How to prove ownership and value

For lost, damaged or stolen items that are no longer available for inspection, you must validate your claim by giving us details of when and where they were purchased and reasonable proof of ownership and value.

We will decide what is reasonable proof of ownership and value depending on what you are claiming for, how old they are and their value. A statutory declaration is not of itself considered acceptable evidence of proof of ownership and value.

If you are unable to reasonably substantiate your claim, we can reduce or refuse your claim.

## Your excess

### What is an excess?

An excess is the amount you have to pay for each incident when you make a claim. Sometimes you might have to pay more than one type of excess. The amount and types of excess are shown on your certificate of insurance or in this PDS.

The types of excesses are:

<b>Standard excess</b>	This excess applies to all claims, unless we tell you otherwise. You can choose your standard excess from the range we offer.
<b>Theft or burglary by tenants or their guests excess</b>	For any claim under the insured event 'Theft or burglary by tenants or their guests' (see page 20), an excess of <b>\$500</b> will apply in addition to any other excesses that apply.
<b>Malicious acts or vandalism by tenants or their guests excess</b>	For any claim under the insured event 'Malicious acts or vandalism by tenants or their guests' (see page 25), an excess of <b>\$500</b> will apply in addition to any other excesses that apply.
<b>Loss of rent – tenant default excess</b>	For some claims under additional cover 'Loss of rent – tenant default' (see page 32), an excess of <b>\$500</b> applies which you pay instead of the standard excess (plus any other applicable excess).
<b>Earthquake and tsunami excess</b>	This excess applies in addition to any other excess if you make a claim for loss or damage as a result of an earthquake or tsunami.
<b>Motor burnout excess</b>	The optional cover 'Motor burnout' has its own excess which you pay instead of the standard excess (plus any other applicable excess).
<b>Additional excess</b>	In some circumstances, an additional excess may apply based on our assessment of the risk. This excess is payable in addition to any other excess unless stated otherwise in this PDS or your certificate of insurance.
<b>Unoccupied excess</b>	This excess applies in addition to any other excess, unless stated otherwise in the PDS, if, at the time of the incident covered by your policy, the property or unit has been unoccupied for more than <b>60</b> continuous days.

**When you claim for both property and contents**

When both your property and contents at the one insured address are insured with us under this policy and your claim is for loss or damage to both arising from the one incident, you must pay whichever is the higher of your standard excesses (plus any other applicable excesses).

**When we may waive your excess**

When you make a claim for damage to your property or contents and the incident covered by your policy was caused by another person (not the tenant, or their guest) and we agree, we may waive the excess that would normally apply if you give us the name and address of the person responsible for the damage or if applicable their registration details.

**How to pay your excess**

When you make a claim we will choose whether to deduct the applicable excesses from the amount we pay you or direct you to pay the excesses to us or to the appointed repairer or supplier. We may require you to pay the excesses in full before we pay your claim or provide any benefits under your policy. The fact we have asked for payment of your excess does not of itself mean that your claim has or will be accepted by us either in whole or in part.

**[Refer to the PED Guide for further information](#)**

## How we settle your claim

### We choose how we settle property claims

If we agree to pay a claim for loss, theft or damage to your property, we will decide if we will:

- ▶ repair damage to your property;
- ▶ rebuild your property;
- ▶ pay you what it would cost us to repair or rebuild your property;
- ▶ pay you the sum insured for your property;
- ▶ give you a voucher, store credit or stored value card for the amount it would cost us to repair or rebuild an item.

If we rebuild (or pay you what it would cost us to rebuild), we will do so on a 'new for old' basis.

If we repair (or pay you what it would cost us to repair), we will at our option repair on a 'new for old' basis or repair to a similar condition to what your property was in before the loss or damage occurred.

If we choose to pay you what it would cost us to rebuild or repair your damaged property, you are not eligible for cover under additional feature 'Other repair/rebuilding costs', see page 28.

Unless we tell you otherwise, we will deduct any amounts you owe us from any amount we owe you.

### We choose how we settle contents claims

If we agree to pay a claim for loss, theft or damage to your contents, we will decide if we will:

- ▶ repair damage to the contents;
- ▶ replace your contents 'new for old';
- ▶ pay you what it would cost us to repair or replace your contents;
- ▶ pay you the sum insured for your contents;
- ▶ give you a voucher, store credit or stored value card for the amount it would cost us to repair or replace the contents.

If we replace (or pay you what it would cost us to replace), we will do so on a 'new for old' basis.

If we repair (or pay you what it would cost us to repair), we will at our option repair on a 'new for old' basis or repair to a similar condition to what your contents were in before the loss or damage occurred.

Unless we tell you otherwise, we will deduct any amounts you owe us from any amount we owe you.

**We will not:**

- ▶ pay more than the relevant sum insured or policy limit;
- ▶ pay extra to replace your property or contents to a better standard, specification or quality than they were before the loss or damage occurred **except** as stated in meaning of 'new for old';
- ▶ fix a fault that existed before the loss or damage occurred.

**'New for old' means:**

- ▶ we rebuild, replace or repair with new items or new materials that are available at the time of replacement or repair from Australian suppliers.
- ▶ we rebuild, replace or repair new for old regardless of age, with no allowance for depreciation.  
For example, a leather lounge which was purchased **5** years ago for **\$5,000** and now worth **\$2,000**, will be replaced with a brand new leather lounge equivalent to your old lounge when it was new. Cover is not limited to **\$2,000**.
- ▶ we replace or repair to the same type, standard and specification (but not brand) as when new. If the same is not available, it means of a similar type, standard and specification (but not brand) when new. We can replace with a different brand.

**'New for old' does not:**

- ▶ include paying the extra cost of replacing or purchasing an extended warranty on any item;
- ▶ mean of a better standard, specification or quality than when new.

**When items may be replaced to a better standard****Refrigerators, freezers, dishwashers, air conditioners, washing machines and dryers with less than a 3 star energy rating**

For these items when being replaced, 'new for old' means replacing with a new item of equal specification (but not brand) and if you agree, it means replacing with a minimum 3 star energy rating if this is available. It can be a different brand.

**Obsolete electrical appliances**

For obsolete electrical appliances such as outdated dishwashers or air conditioners 'new for old' means, replacing or repairing to an equal specification (but not brand). If this is not available, it means to the nearest better specification available. It can be a different brand. We do not insure electrical or electronic items that are no longer able to be used for the purpose they were intended.

**When items cannot be replaced 'new for old'**

For these items (such as paintings, pictures and works of art), 'new for old' means that if the item cannot be replaced 'new for old' or repaired, we will pay you what it would have cost to buy the item immediately before the loss or damage occurred, up to the relevant limit.

## Property claims

This section relates specifically to a claim made on your property policy and is in addition to the information in 'How we settle your claim' on pages 54 to 55.

### When we authorise the repair or rebuilding of your property

If we need to source material in order to repair or rebuild your property, we will do our best to obtain new materials that are the same type, standard and specification. If the same is not available, we will use new materials of a similar type, standard and specification that are commercially available and compliant with current building regulations.

We may enter into any building contract with the selected repairer and/or supplier on your behalf. We will oversee the repairs and keep you informed of their progress.

If you decide not to repair or replace your property, or do not commence repair or replacement within **6** months of the date the loss or damage occurred, we will only compensate you for what it would have cost to repair or replace your property at the date of the loss or damage.

### When we cannot match materials

If we cannot find new materials to match undamaged parts, we will use the closest match available to us.

If you are not satisfied with the materials we find as the closest match before we repair your property:

If we agree, you can pay the extra cost of replacing undamaged parts of your property to achieve a uniform appearance.

Or we will pay you what it would have cost us to repair or rebuild the damaged part.

### Repairing or rebuilding damaged parts

We will only repair or rebuild the parts that are damaged in the incident covered by your policy. You cannot claim to replace undamaged parts of your property to create a uniform appearance, such as when:

▶ **one garage door is damaged**

we will only replace or repair the damaged one, not other doors.

▶ **roof tiles are damaged**

we will only replace the damaged ones, not the undamaged tiles, even if the undamaged tiles are faded and do not match the new ones used for repairs.

▶ **roof sheeting is damaged**

we will only replace the damaged roof sheeting, not the undamaged roof sheeting, even if the closest match available to us is a different shade, colour, finish, material or profile to the undamaged roof sheeting.

▶ **an external wall is damaged**

we will replace the damaged parts of the wall, not undamaged areas of the wall or other sides of your property.

For the limited circumstances where we will repair or rebuild undamaged parts read the section below.

**When we will repair or rebuild undamaged parts**

If we cannot match the materials with the undamaged parts, we will pay extra to create a uniform appearance when:

▶ **wall tiles are damaged**

we will pay up to **\$750** extra for each incident covered by your policy to replace undamaged wall tiles in the same room, stairs, hallway or passageway\* so they match or complement new tiles used for repairs.

▶ **other wall coverings are damaged**

(e.g. paint, wallpaper, wood panels, but not tiles) we will pay extra to paint, wallpaper or replace undamaged wall coverings in the same room, stairs, hallway or passageway\* where the damage occurred.

▶ **floor coverings are damaged (including tiles)**

we will pay extra to replace continuously joined undamaged floor coverings of the same material in the same room, stairs, hallway or passageway\* where the damage occurred.

▶ **kitchen cabinets, cupboards or benchtops are damaged**

see 'Repairing or replacing kitchen cabinets, cupboards or benchtops' below.

\* For the meaning of these terms refer to the diagrams on pages 58 to 59.

**Repairing or replacing kitchen cabinets, cupboards or benchtops**

**We will repair damaged parts of your kitchen**

We will repair the damaged parts of your kitchen cabinets, cupboards or benchtops.

**When we will replace undamaged parts of the kitchen**

To create a uniform appearance, we will pay extra to replace undamaged parts of the same cupboard, cabinet or benchtop so that they match the repaired parts.

**Same cabinet, cupboard or benchtop means:**

- ▶ those parts continuously joined to the damaged parts (this is one 'section');
- ▶ made out of the same materials; **and**
- ▶ on the same level.

See the case study on page 58 for a visual explanation.

**Note:** Sometimes replacing the benchtop, door fronts or drawers in the undamaged area is all that is necessary to create a uniform appearance. We will decide what is necessary depending on the circumstances.

## Case study

The extent of repairs carried out to match undamaged areas in a kitchen.

To match undamaged areas to the damaged parts, they must be:

- ▶ continuously joined; **and**
- ▶ on the same level; **and**
- ▶ made of the same material.

### In this kitchen case study

Areas 1, 2 and 3 will be treated as separate sections. The oven breaks up the bottom level into two sections (e.g. if only section 2 is damaged, we will not pay to replace sections 1 and 3).

## What we mean by same room, stairs, hallway or passageway

### Same room

A room is an area starting and finishing at:

- ▶ its nearest walls;
- ▶ nearest doorway, archway or similar opening of any width;
- ▶ a change in the floor or wall covering.

A hallway next to a room is not the same room, even if it has the same floor or wall covering as the room.

Any archway or similar opening separates a room **unless** it is a combined lounge-dining room (below).

### Combined lounge-dining room

We will only combine rooms with a shared doorway, archway or similar opening when:

- ▶ they are lounge and dining rooms; **and**
- ▶ the shared doorway, archway or similar opening is wider than **82cm**; **and**
- ▶ the floor or wall covering is the same in both rooms.

## Open plan areas

When there is no wall, archway, doorway or similar opening, the room continues until:

- ▶ a change in the floor or wall covering;
- ▶ the nearest wall, doorway, archway or similar opening.

## Same passageway or hallway

A passageway or hallway has the same meaning as a room. We will not combine a hallway and a room.

## Same stairs

Side view of stairs

## Legend

- Shaded areas show the area that we consider the same room, stairs, hallway or passageway.
- Solid lines represent floor to ceiling walls.
- Dotted lines show boundaries of a room or area where there is no physical barrier present (e.g. no wall or door).

## Dealing with defects

### If a known defect is the cause of the damage

We do not pay for loss or damage caused by a defect, structural fault or design fault at your property that you knew about (or should reasonably have known about) and did not fix before the loss or damage occurred.

### If an unknown defect is the cause of the damage

If an incident covered by your policy damages your property and an unknown defect was the cause or part of the cause, we will pay for the resulting damage. If the unknown defective part of your property is also damaged by the same incident, we will fix this as well.

### We do not rectify structural or design faults

When we accept a claim, we will not pay extra to rectify a structural or design fault at your property that you knew about (or should reasonably have known about). We will only pay you what it would have cost us to fix the damage from the incident covered by your policy, or if we agree, you can pay us the extra amount it costs to rectify the structural or design fault at your property.

### **If undamaged defective parts of your property will not support repairs**

If undamaged defective parts of your property you knew about (or should have reasonably have known about) will not support repairing the damage caused by an incident covered by your policy, we will only pay what it would have cost us to repair the damage had your property not been defective.

### **For known defects or faults**

Once you become aware of a defect, structural or design fault at your property, you must rectify it as soon as possible because there is no cover for loss or damage due to that defect. If you do not rectify the defect or fault, you may not be covered or we might not offer a renewal of your policy.

## **Changes to your property**

### **If you want to change the design of your property**

When rebuilding your property, if we agree, you can choose to change the design of your property or upgrade parts of it, providing you pay the extra costs of doing this. If you want to downsize your property for less cost than you are entitled to claim, we will not pay more than it costs us to rebuild the downsized property.

### **Choosing to rebuild on another site**

If your property is to be rebuilt after an incident covered by your policy, you can choose to have your property rebuilt on another site providing you pay any extra costs involved.

## **Lifetime guarantee on property repairs**

When we repair or rebuild your property, we guarantee the quality of materials and workmanship of that work for the lifetime of your property if we:

- ▶ authorise;
- ▶ arrange; **and**
- ▶ pay the builder or repairer directly for this work.

### **What we guarantee**

We guarantee the material used and standard of the workmanship to be free of defects. If a defect arises in the lifetime of your property as a result of poor quality workmanship or use of incorrect materials, then we will rectify the problem.

### **This guarantee does not apply:**

- ▶ to repairs you authorise or make yourself;
- ▶ to loss, damage or failure of any electrical or mechanical appliances or machines;
- ▶ to wear and tear consistent with normal gradual deterioration of your property (e.g. paint peeling off after its expected life cycle, wood rotting from moisture in the air or ground, roofs weathering or a hot water tank leaking after its guaranteed life);
- ▶ where we agree with a repair quote and we give you, or the builder or repairer, payment for the cost of the repairs and you arrange the repairs.

## Contents claims

This section relates specifically to a claim made on your contents policy and is in addition to the information in 'How we settle your claim' on pages 54 to 55.

### When we repair or replace your contents

If we choose to repair damage to the contents or replace the contents, we will repair or replace with items or materials that are reasonably available at the time of repair or replacement from Australian suppliers.

We will do our best to replace to the same type, standard and specification (but not brand) as when new. If the same is not available, we will replace with items or materials of a similar type, standard and specification when new. It can be a different brand.

### When we cannot match materials

If we cannot find a contents item we will use the closest match reasonably available to us.

If you are not satisfied with what we choose before we repair the contents:

If we agree, you can pay the extra cost of replacing undamaged parts of your contents to achieve a uniform appearance.

Or we will pay you what it would have cost us, but only if we agree to this.

### Items that form part of a set or collection

We will only repair or replace contents that are lost or damaged by an incident covered by your policy. You cannot claim to replace undamaged parts of the contents (e.g. when a lounge chair which is part of a suite is damaged beyond repair. We will pay to replace that chair, not the whole lounge suite).

### When we will repair or replace undamaged contents

We will only repair or replace contents that are lost or damaged by an incident covered by your policy. You cannot claim to replace undamaged contents or undamaged parts of contents.

But there are limited circumstances where we will repair undamaged parts of contents to create a uniform appearance, when:

- ▶ **internal blinds and curtains** if we can't match the new material or parts with the undamaged ones, if necessary, we will pay extra to replace undamaged blinds and curtains in the same room, stairs, hallway or passageway\* where the damage occurred.
- ▶ **carpets or other floor coverings** if we can't match the new material or parts with the undamaged ones, if necessary, we will pay extra to replace undamaged floor carpets and other coverings in the same room, stairs, hallway or passageway\* where the damage occurred.

\* See pages 58 to 59 for 'What we mean by same room, stairs, hallway or passageway'.

### **If you want to change the contents**

When repairing or replacing the contents, if we agree, you can choose to change the make and model of the contents item or upgrade to a different make and model of it, providing you pay the extra costs of doing this. If you want to downsize the contents item for less cost than you are entitled to claim, we will not pay more than it costs us to repair or replace the downsized contents item.

## **Other claims information**

### **Potential impact on cover and premiums**

#### **After a property claim**

If we only pay part of the sum insured to you, your property policy continues for the period of insurance.

If we pay the full sum insured to you, all cover under your property policy stops. There is no refund of premium. If you have been paying premiums by instalments, we will deduct the remaining instalment premiums for the unexpired period of insurance from the amount we pay for the claim.

#### **After a contents claim**

If we pay part of, or the full contents sum insured, the contents sum insured is automatically reinstated and cover continues for the period of insurance. You may need to change your insured address. You should reassess your contents sum insured. There is no refund of premium if you reduce your sum insured by the amount of your claim.

#### **Salvaged property and contents items**

If we replace or compensate you for an item, we then own the damaged or recovered item. If we agree you can keep an item we will determine the salvage value and we can deduct this amount from any payment we make to you.

#### **Our right to recover claims we pay from those responsible**

After we pay a claim under this policy, we can decide to take legal action in your name to recover money from the person or entity that caused loss, damage or liability. You must give us all the help we need to do this. If we recover money that belongs to you and was not part of the claim we paid, we will give this to you.

#### **Refer to the PED Guide for further information**

## Other important information

#### Cancellation by us

We can cancel your cover where the law allows us to do so. If we cancel your policy you will be refunded the unexpired portion of the premium, less the cancellation fee and less any non-refundable government charges if the refund is more than **\$10**. If we cancel your policy due to fraud, we will not refund any money to you.

The FCS entitles certain persons, who have valid claims connected with certain protected policies issued by that insurer to be paid certain amounts by APRA.

Information about the FCS can be obtained from APRA at [apra.gov.au](http://apra.gov.au) or by calling **1300 55 88 49**.

Have you received a written response: No

Has the Financial Services Provider commenced legal proceedings: No

Details of your dispute: Hi Every year our Home and contents insurance has gone up. I understand fees go up but this year they raised the premium from \$116 per month too \$166. That is 43%. How can this be right or ok!!! The house and contents have not gone up in value (I wish they went up 43%) nor are we in a flood or fire zone. We are in a minor cyclone zone but have not a cyclone through here for over 12 years. After 2 phone calls we did get the cost down to \$152 p/month. that is still a whopping 32% more. Fine if this will not go up for another 5 years but we know it will go up again next year and the year after. We have been with GIO insurance for the past 5 years that we have had our house. (never had a claim.) Yes I did try other insurers but they will not insure in an suburban street in a normal suburb in Broome. (Why where is the competition.) We are are normal family with 2 kids just trying to live, and these sort of price rises can not be absorbed in our budget. With a mortgage we can not afford not to insure either. Thanks for your time.

What do you think is a fair and reasonable resolution to the dispute?: Only raise insurance by inflation + a little (maybe 2%). or only raise by maximum of 7% per year as this is still way above inflation. Or keep the 32% incress and Garentee that there will be no more premium increases for 5 years. I have never complained to and official before , and I'm not asking for a hand out I just don't know how this can be fair or just, To contentiously raise way above inflation every year , year after year.
