Hi [REDACTED],

Please find attached for comment the 'Feedback loop' rule change request that is the result of the work of the Australian Energy Market Commission's (AEMC) Transmission Planning and investment Review.

This is an opportunity for the AER to comment on the rule change request prior to formal submission by the Commonwealth to the AEMC.

If you could please respond with comments or nil response on these rule changes by **3 March 2023**, that would be much appreciated.

Kind regards,
