In response to the COVID-19 pandemic, AEMO has adopted digital and remote ways of working to protect our people and critical operations.

Please be aware that most meetings will now be conducted digitally, preferably using WebEx, to minimise physical contact and allow business to continue.

Given the dramatic increase in load on our systems, please bear with us while we work through any technical issues that may result.

**OFFICIAL**

Hi [REDACTED] and [REDACTED]

Trust you are well. Since the last monthly AER/AEMO catch up, we have had some internal discussion on the feedback loop and ISP update issue raised by AEMO earlier. It would be good to have a meeting sometime next week to inform you of our views and discuss next steps. From our end next Monday (12 July) or Tuesday (13 July) afternoons (ideally after 2pm) work well for us for a meeting. If you can get back to me on times that work at your end, I can send thru an invite or happy for you to send one.

Cheers

Ali

*Best Regards*
