Good afternoon [REDACTED]

Thank you for reaching out and my apologies for not responding sooner.

We have commenced engagement on HumeLink with the TAC. Your colleagues [REDACTED] (copied on this email) attended this TAC and I have asked our Stakeholder team to add you to the TAC distribution list. Our next TAC meeting will be on 23 March 2023.

As our last TAC meeting on 1 March 2023, we discussed the following in relation to HumeLink:

- The need for a modified Stage 1 CPA to recover cost of LLE (design and build). Our CEO explained that in order to secure LLE in time to meet our Project delivery dates and ensure the best (i.e. lowest) possible pricing, we have locked in contracts with suppliers for our Powering Together Tomorrow (PTT) projects which include HumeLink and VNI West. Given these assets will be purchased now (as part of Early Works) we propose to submit a further CPA for early works (i.e. an updated Stage 1 CPA)
- Our approach to Stage 2-CPA including appointment of contractors and costs incurred against activities to date

We will discuss both of the above in more detail at our TAC on 23 March 2023 and would welcome your attendance and participation.

I will give you a call shortly to provide more context on the need and expected timing of our modified Stage 1-CPA

Best regards

OFFICIAL

Hi [REDACTED],

I just wanted to reach out to you that I will be the AER's capex contact for the upcoming Humelink contingent project.

So please feel free to contact me when you want to commence engagement on Humelink.

Kind regards,

[REDACTED]
