No problem.

I'll forward this to Ruth Mackay, General Manager in Product Safety – Peter's boss.

Hopefully this will hurry your response along.

Dear James

Sorry I have been on leave. We have provided a bit of commentary but we don't really have any concerns with the current state of play with this document.

Thanks

HI All

Input from NICNAS on the TPP TBT Cosmetics annex briefing (**attached**), for further discussion at the meeting tomorrow. Matt indicated that this input is merely from the NICNAS perspective as they knew that ACCC would be providing their comments/input separately.

Kind regards
Dixie
