Subject: tooth whitening products
Attachments: Teeth-whitening-products-2005-2011.xls

Dear Joshua,

RE: tooth whitening products

Jarred Brown at the NSWPIC has passed on your request for case details.

I have enclosed a spreadsheet listing our cases on two sheets.

Link ID is a cases unique identifier. Cases involving multiple routs of exposure have more than one row.

Let me know if you require any other details.

Regards

Ann-Maree

Ann-Maree Lynch, PhD
Head of Department
Western Australian Poisons Information Centre
G Block, Sir Charles Gairdner Hospital
QE II Medical Centre
Nedlands, 6009
