My apologies, David. I was of the understanding that they include both contestable and non-contestable. Thanks kindly, Nat.

Dear Rajat

Thank you again for providing us with the attached letter and overview. I would be grateful if you could please clarify one point; do the market share estimates include only contestable customers, or do they include all customers?

Please feel free to respond by telephone or email, whichever is more convenient for you.

Kind regards

**David Jones**
