## Public register exclusion request

The ACCC has considered your clients' request that redacted sections of the supporting submission, and certain attachments to the supporting submission, be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the supporting submission and attachments.

The ACCC has decided that the attachments and relevant parts of the supporting submission will not be placed on the public register.

I note that you also provided a public version of your clients' submission. This version will be placed on the public register in the form it was provided to the ACCC.

This letter has been placed on the ACCC's public register. If you wish to discuss any aspect of this matter, please do not hesitate to contact Hannah Ransom on (02) 6243 1255.

Yours sincerely
