Dear Mr Ferguson

Racing and Wagering Western Australia application for revocation of authorisations A91342 & A91343 and substitution of new authorisation AA1000405—request for material to be excluded from the public register

I refer to your submission regarding the above application for authorisation.

I have considered your request that parts of RWWA's submission in response to submissions lodged by Western Australian Bookmakers Association Inc which was provided to the ACCC on 19 January 2018 (your submission), be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that those identified parts of your submission will not be placed on the public register.

This letter has been placed on the ACCC's public register.

I note that you also provided a public version of your submission. This version will be placed on the public register in the form it was provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Luke Griffin on 02 6243 1114.

Yours sincerely
