Subject: AA1000409 - TSA - re Application for Interim Authorisation [SEC=UNCLASSIFIED]

Hi Francesca,

Thank you for your letter of 4 April 2018. Your letter:

- notes that the existing authorisations (A91336 – A91337) of the Tyre Stewardship Scheme will expire on 3 May 2018, before the ACCC is likely to finalise its consideration of the revised Tyre Stewardship Scheme;
- seeks to amend Tyre Stewardship Australia's (TSA) application for authorisation (AA1000409) (Application) to include a request for interim authorisation of the Scheme, such interim authorisation to be on the same terms as the Current Authorisation, outlined in the ACCC's determination dated 11 April 2013.

We confirm that, as a result of this amendment, TSA will be seeking:

- authorisation on the same terms as the current authorisations (A91336-A91337) – sought on an interim basis to commence on or before 3 May 2018; and
- authorisation for the remainder of the conduct set out in application (AA9100409) – sought for a period of ten years.

Could you please confirm for us that you are happy for your letter of 4 April 2018 to be placed on the ACCC public register?

A copy of this email and your reply will also be placed on the ACCC's public register.

Regards,

Kaitlin
