Dear Tessa

RE: AA1000414 - Council Solutions

Cleanaway Waste Management Limited (**Cleanaway**), as an interested party, appreciates the opportunity provided by the ACCC to comment on the application by the cities of Adelaide, Charles Sturt, Marion and Port Adelaide Enfield to jointly procure the collection of domestic waste, recyclables and organics through kerbside collection, including the supply and maintenance of mobile garbage bins (**Application**).

Cleanaway is a founding member of the Waste and Recycling Industry Association of South Australia (**WRISA**) and has had the opportunity to participate in discussions with WRISA and express its views on the Application.

I am pleased to advise that Cleanaway supports WRISA's submission entitled "AA1000414 – Council Solutions & Ors" made to the ACCC and I can confirm that the views expressed within the submission are consistent with those of Cleanaway.

If you require any further information on this matter, please do not hesitate to contact Josh Hull on [REDACTED] or [REDACTED]

Yours Sincerely
