Dear Ms Cramond,

Re: AA1000414 – Council Solutions & Ors

We wish to seek an extension until 31 August 2018 to respond to the subject draft determination.

The key reasons for this request are;

- There is a volume of new information to be considered and assessed in the draft determination.
- We wish to seek some further external advice around some of this information and their impacts or implications, perceived or otherwise.
- Our business is on the cusp of our busiest sales quarter for the year and our internal resources are at their limits.
- We also request a pre-decision conference briefing prior to determination being made.

Thank you for your consideration,

Yours faithfully

Gary Coombe
General Manager
