Dear Mr Payne

Authorisation AA1000414 submitted by Council Solutions & Ors – City of Adelaide request for material to be excluded from the public register

I refer to your response to the Australian Competition and Consumer Commission (the **ACCC**) information request regarding the above mentioned application for authorisation, provided on 6 June 2018.

I have considered your request that your response to the ACCC's information request be excluded from the ACCC's public register.

As you may be aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the **Act**) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that your response will not be placed on the public register. A copy of this letter will be placed on the public register.

If you wish to discuss any aspect of this matter, please do not hesitate to contact Tessa Cramond on 03 9658 6516; or via email (adjudication@acc.gov.au).

Yours sincerely

David Jones
