Dear Mr Richards

Authorisation application AA1000414 from Council Solutions — request from Solo Resource Recovery for material to be excluded from the public register

I refer to your submission regarding the above authorisation, which you lodged with the Australian Competition and Consumer Commission (the ACCC) on 24 August 2018; and the redacted version of the same submission, which you provided on 12 September 2018.

I have considered your request that the version of the submission provided on 24 August 2018 be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place on the public register documents provided to it in relation to an authorisation application. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts of it be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the version of the submission provided on 24 August 2018 will not be placed on the public register.

The version of your submission provided on 12 September 2018 will be placed on the public register in the form it was provided to the ACCC.

This letter will also be placed on the ACCC's public register.

If you have any questions, please contact John Rouw on (03) 9290 1402.

Yours sincerely
