Dear Ms Halkett

Authorisation AA1000415 submitted by Recyclers of South Australia Incorporated (Recyclers SA) — request for material to be excluded from the public register

I refer to your submissions regarding the above application for authorisation lodged with the Australian Competition and Consumer Commission (the ACCC) on 16 March 2018, namely:

- the supplementary submission lodged on 1 May 2018
- the further supplementary submission lodged on 7 May 2018.

I have considered your request that the confidential version of each of these submissions be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that in each of the above cases, the confidential version of Recyclers SA's submission will not be placed on the public register.

This letter has been placed on the ACCC's public register.

I note that you also provided a public version of each submission. These versions will be placed on the public register in the form they were provided to the ACCC.

Should you have any queries in relation to this matter, please do not hesitate to contact Miriam Kolacz on 03 9658 6476.

Yours sincerely
