Dear Mr Gordon

**Authorisation AA1000415 submitted by Recyclers of South Australia Incorporated — request for material to be excluded from the public register**

I refer to Marine Stores submission regarding the above application for authorisation lodged with the Australian Competition and Consumer Commission (the ACCC) on 8 June 2018.

I have considered Marine Stores request that Attachment A and references to this attachment in the submission be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for authorisation on the ACCC's public register. The Act provides that a person submitting a document in relation to an authorisation application may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that Attachment A and references to this attachment in the submission will not be placed on the public register.

This letter has been placed on the ACCC's public register.

A copy of your submission, with Attachment A removed and with the information referencing this attachment redacted, will be placed on the public register.

Should you have any queries in relation to this matter, please do not hesitate to contact Miriam Kolacz on 03 9658 6476.

Yours sincerely
