AA1000418 – Homeworker Code Committee – submission

Dear Robert,

I write in support of the Homeworker Code Committee's application {AA1000418}.

Fraser and Hughes has been accredited with Ethical Clothing Australia (ECA) since 9th November 2009.

We value this accreditation program because it a way of showing our customers and wearers that Fraser and Hughes as a company is concerned Australian employee conditions and standards

It is important that we have independent, third-party accreditation that allows us to demonstrate our compliance with the relevant workplace laws in Australia. We value our employees and the support that is provided through the accreditation program. Further, this program allows us to demonstrate that our Australian made products.

Fraser and Hughes has been owned by the same family and operating at the same address since 1927 manufacturing being family owned is proud of the product it produces and more proud that most of our fulltime employee retire leaving after a long and valued employment.

We also use the ECA trade mark to promote our accreditation, the ECA logo is displayed on all our labels and highlighted and explained on our web page and in our advertising

Please do not hesitate in contacting me for more information.

Yours sincerely

Stuart J Dale
Manaing Director
