To whom it may concern,

I write in support of the Homeworker Code Committee's application {AA1000418}.

PERSONALISE THIS has been accredited with Ethical Clothing Australia (ECA) since 29TH MARCH 2016.

We value this accreditation program because it helps us to ensure our Australian Supply chain is transparent and ethical. It is an important organisation that supports the local textile, clothing and footwear industry, its employees and businesses that are manufacturing in Australia.

It is important that we have independent, third-party accreditation that allows us to demonstrate our compliance with the relevant workplace laws in Australia. Further, this program allows us to demonstrate that Australians Made our Clothes.

We also use the ECA trademark to promote our accreditation as labels on our Australian Made Apparel, via our website and in some of our advertising on Social Media.

Please do not hesitate in contacting me for more information.
