To whom It may concern,

I write in support of the Homeworker Code Committee's application {AA1000418}.

RM Williams has been accredited with Ethical Clothing Australia (ECA) since the 19th July 2013.

We value this accreditation program because it has enabled us to tender for Government contracts but also showed that as a Company we were determined to do the right thing by our employees and customers.

It is important that we have independent, third-party accreditation that allows us to demonstrate our compliance with the relevant workplace laws in Australia. We value our employees and the support that is provided through the accreditation program. Further, this program allows us to demonstrate that our Australian made products are produced ethically

R.M.Williams was formed in 1932 its reputation for honesty, quality, integrity, excellence and fairness is one of its most important assets, and the highest standards should govern all actions. Decisions made within R.M.Williams should honour the spirit and the letter of the applicable laws. With this in mind, R.M.Williams will be honest and ethical and has and will continue to conduct all business dealings in accordance with the Ethical Clothing Australia guidelines.

Please do not hesitate in contacting me for more information.

Yours sincerely
