Dear Sir/Madam

Council Solutions' application for authorisation AA1000420 (ancillary services) – draft determination

The Australian Competition and Consumer Commission (the **ACCC**) has issued a draft determination in respect of application for authorisation AA1000420 lodged by Council Solutions on 4 May 2018.

Council Solutions, on behalf of the Cities of Adelaide, Charles Sturt, Marion and Port Adelaide Enfield (Participating Councils), seeks authorisation to jointly procure the collection of ancillary waste services, comprising the:

- multi-unit collection of Bulk Bins and processing or disposal of the waste (including the supply and maintenance of the bins)
- kerbside collection and processing or disposal of Hard Waste and
- collection of park and footpath litter and/or recycling bins and disposal or processing of the waste.

For the reasons set out in its draft determination, the ACCC proposes to grant authorisation until 30 June 2031. The ACCC has also granted interim authorisation to allow the councils to commence the tender process, but not enter into any waste collection contracts. A copy of the ACCC's draft determination is attached.

Next steps

Once the ACCC issues a draft determination, the Applicant or any interested party may make a written submission and/or request that the ACCC convene a 'pre-decision conference'.

If you wish to make a submission in response to the ACCC's draft determination, please lodge your submission by **5 October 2018**. Submissions should be emailed to adjudication@acc.gov.au with the subject "AA1000420 – Council Solutions – submission". The ACCC may be limited in its ability to take into account submissions received after 5 October 2018.

A pre-decision conference provides the opportunity for interested parties to make oral submissions in relation to a draft determination. Conferences are conducted informally and while legal or professional advisers are able to attend they are not entitled to participate in the discussion.

If you wish the ACCC to hold a pre-decision conference you must notify the ACCC in writing by **28 September 2018**.

If a pre-decision conference is called the ACCC proposes to hold the conference in Adelaide on **22 October 2018**. We will confirm details about the date, time and venue of the conference if a pre-decision conference is called.

The ACCC will consider any submissions it receives, including any oral submissions made should a pre-decision conference be called, and will then release a final determination.

Submissions will be placed on the ACCC's public register subject to any request for exclusion. Please see the publication [Guidelines for excluding information from the public register](#).
