Dear Ms Cramond,

RE: Council Solutions Applications AA1000419 and AA1000420

We would like to request a Pre-Decision Conference (PDC) for each of the above mentioned applications to the ACCC.

We understand that a PDC extends the statutory timeframe by which the ACCC must finalise its decision by 6 weeks and as such we would also like to request an extension to the date for submissions.

Given the work required to prepare submissions for 2 separate and different applications, each with their own distinct set of 3 services, we request a 6 week extension from October 5 to November 16.

Responses to the Draft Determinations will also need to be prepared at the same time that our members are considering the tender documents just released by Council Solutions and so additional time to complete submissions to the ACCC we believe would be reasonable.

Please contact me on [REDACTED] should you wish to discuss.

Yours sincerely

Scott Geer
