Dear Ms Penna

Authorisation AA1000433 submitted by Australasian Performing Right Association Limited (APRA) – request for material to be excluded from the public register

I refer to the APRA's submission dated 9 August 2019 regarding the above application for revocation and substitution.

I have considered your request that the confidential version of the submission be excluded from the ACCC's public register.

As you are aware, the ACCC is generally required under section 89 of the *Competition and Consumer Act 2010* (the Act) to place documents provided to it in relation to an application for revocation and substitution on the ACCC's public register. The Act provides that a person submitting a document in relation to an application for revocation and substitution may request that the document or parts thereof be excluded from the public register by reason of the nature of certain information contained in the document.

As a person authorised to make a decision for and on behalf of the ACCC in relation to such a request, I advise that the confidential version of APRA's submission will not be placed on the public register.

I note that you also provided a public version of APRA's submission. As discuss with Kate Haddock of your office on 14 August 2019, this version will be placed on the public register in the form it was provided to the ACCC, subject to the redaction of the details of the amount paid to an APRA member regarding a performance described at paragraph 51 of the submission.

This letter will also be placed on the public register.

Should you have any queries in relation to this matter, please do not hesitate to Tessa Cramond on 03 9658 6516.

Yours sincerely
